Schmidt, 2015-03-27 This book documents today's rising rates of cremation in the West and notes that these rates now include many deceased Christians a stark contrast to Christians in the past who had consistently rejected cremation from their earliest years in pagan Rome to the mid 1960s Christians opposed and spurned cremation for a number of reasons discussed in this book By mid fourth century Christianity's rejection of cremation influenced pagan Rome to abandon cremation Earth burial became the only acceptable way to dispose of deceased humans resulting in a major cultural change in the West Converts to Christianity had to promise they would never be cremated Graveyards were named coemeteria Latin for where dead people sleep from which we get the word cemetery a name now contradicted by cremation This book is a clarion call to Christians Dr Schmidt has amassed historical biblical theological and practical evidences that the modern Christian church will only refuse to hear to its great loss both now and at the judgment Seat of Christ where we each shall receive what is due to for things done while in might we add to the body 2 Corinthians 5:10 Craig A Parton M A J D United States Director International Academy of Apologetics Santa Barbara California This powerful apologetic clearly establishes that cremation fails to find endorsement in the inspired Holy Scriptures Dr Schmidt's research will prove invaluable for those who might query the need for burial rather than cremation Hopefully this book will have a wide influence on Christian thought and

When a Loved One

Dies K. D. Pryor, 2011 Brittany France Near the coast A picturesque inn Spectacular scenery Tasty French treats Time off from school Tallis Challinor imagines this as the perfect vacation scenario so when her grandfather suggests that she accompany him to the country of her ancestors she is more than happy to tag along What Tallis doesn't bargain on is another ghostly encounter especially not so soon after she's sealed up a bunch of unruly ghosts on their side of the portal between the human and spirit realms But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac France an energy that feels frighteningly like the power exuding from the portal in her basement back home she has a feeling she might be in trouble And she is right When her grandfather goes missing Tallis leaps into action She calls the only ghostbuster she knows in France and with help on the way she gears up to battle another set of spirits bent on causing destruction Along the way Tallis is forced to examine her life her relationships and her tightly held beliefs about who she is and where she comes from She also has to juggle two impossible males both attractive but annoying both seemingly set on driving her nuts or breaking her heart
