Customers Say The Stupidest Things (Volume One) By Adam,2012-02-03 Customers Say The Stupidest Things Part One I have only worked in a shop for about three years now but I have heard some of the weirdest things in my time there For clarity the shop I work in sells newspapers magazines books and stationary and is on a high street in England For privacy and legal reasons I will not reveal the name of the company I work for and I won t reveal my full name My first name is Adam and I m happy to help Customer Do you sell sandwiches Me No sorry Customer Yeah you do Me I m sorry we don t You must have us confused with another branch Some of them do have cafes Customer Well I m not moving till I get a sandwich I want a sandwich

Stupid People and Why You Cannot Have Nice Things Ciliguse Stultus,2020-11-17 Stupid people are everywhere constantly ruining everything Politics religion science and social interactions are broken by stupid behavior so often that good sense is the exception rather than the rule in any of them Sometimes we are the stupid people doing all of that Even the allegedly brightest among you have likely reduced much of the world down to an overly simplistic all or nothing mentality that will only get you so far at most to the presidency This book is evidence free refusing to scare you with any pesky research that you will not understand After luring you in I will kick you in the pants and insult you mercilessly because nobody else has ever told you the plain old truth about anything Seriously somebody should tell you No and mean it at least once a day If you are already a parent who really takes part in raising kids you can disregard this last part This book refuses to fix you because digits and pieces of paper do not do such things Instead I will explain why you may be unhappy due to your unquestioning acceptance of incredibly stupid childish assumptions If you are unhappy you may find reasons for happiness here but that will be mainly because you will notice how much better you feel after the kicks in the butt have stopped 563

Stupid Things Stupid People Do to Mess Up Their Lives Larry Samuel,2025-06-25 Have you or has anyone you know ever suffered from stupidity From Dr Larry the Internationally Renowned Psychotherapist Self Righteous Occupier of the Moral High Ground and All Around Better Person than You comes 563 Stupid Things People Do to Mess Up Their Lives Dr Larry s previous books such as You Can t Spell Stupid Without U and I and Why Mediocre Things Happen to Mediocre People have changed the lives of millions of intelligence challenged individuals all over the world So if you re interested in hearing a perfect stranger explain to you how stupid and useless you really are you ll love Dr Larry s latest collection of condescending wisdom For example don t do the following Stupid Thing 50 Attempt the Vulcan mind meld If you don t know what you re doing this can lead to permanent melding Stupid Thing 228 Accentuate the positive Rather than accentuate the positive or eliminate the negative I d recommend messing around with Mr In Between Stupid Thing 44 Send in the clowns I can think of no situation that would be improved by sending in the clowns

Frozen Prospects: A YA Epic Fantasy Novel (Volume 1 of The Guadel Chronicles Books) Dean Murray,2011-01-07 The invitation to join the secretive Guadel should have been the fulfillment of dreams Va del didn t even realize he had When his sponsors are killed in an ambush a short time later he

instead finds his probationary status revoked and becomes a pawn between various factions inside the Guadel ruling body Jain s never known any life but that of a Guadel in training She d thought herself reconciled to the idea of a loveless marriage for the good of her people but meeting Va del changes everything Their growing attraction flies against hundreds of years of precedent but as wide spread attacks threaten their world the Guadel have no choice but to use even Jain and Va del in their fight for survival Publisher s Note Frozen Prospects is a YA Epic Fantasy book and is the first novel in the Guadel Chronicles Series which is written so that it can be safely enjoyed by teens and adults alike Frozen Prospects is followed by Thawed Fortunes and is only one of several free YA books available from Dean The Guadel Chronicles All the scope of an epic fantasy combined with the action of a sword and sorcery book Keywords Free Freebie Young Adult Epic Fantasy YA Free Book

Why Smart People Do Stupid Things Gene F. Ostrom,2001-06-24 Why Smart People Do Stupid Things addresses a question that s frequently on our minds When Bill Clinton s affair with Monica Lewinsky was exposed many people were utterly astounded How could he Most of us were asking Answers aren t easy to come by because we have spent considerable time building on our strengths to the neglect of our dark side We aren t only puzzled when we see friends co workers or public leaders engage in stupid unseemly unexplainable acts we are personally threatened by it If them why not still others or perhaps ourselves This book looks at numerous examples of apparently unexplainable stupidities with particular focus upon Richard Nixon and Bill Clinton Every mindless act doesn t turn out wrong There are occasions when the outcome greatly benefits us On the other hand there are many times when the result goes against us to our disadvantage if not to the point of tragedy Why This book addresses the complex issues involved in making rational decisions including excusable error Analyses are offered in a readily understandable style Potential solutions are described The topic is of vital interest to us individually as well as to the nation Why Smart People Do Stupid Things: Revised and Updated Gene F.

Ostrom,2008-12-10 Why Smart People Do Stupid Things Revised and Updated follows the original publication by more than seven years We worried and fretted then particularly about the stupidity exhibited by two of our recent presidents Of course we worried about ourselves and the host of other intelligent people who behaved out of character at one time or another Today rather than seeing improvement we see a worsening of the condition in which obviously intelligent people do tragically stupid things Not only that The increased stupidty is operating at an institutional level Note the functioning of major financial corporations regulatory agencies of the federal government and the United States congress It is mind bogling Answers aren t easy to come by because there are complex political and sociological factors that have bearing on the problem But at the core and where it most matters are psychological and spiritual forces We need to take a look at individuals and individuals need to take a look at themselves This book explores why and it offers possible solutions The analyses are presented in a readily understandable style with numerous illustrations **Transformational Stories** Michael A. Susko,2019-12-18 The stories in this work describe depth psychological experiences of persons who often ended up in psychiatric hospitals Beyond suffering

and pain these person s stories show a spirit and courage which led them to become advocates or artists Many of the authors are well known and part of a national and international movement advocating for rights of those in the psychiatric system This work also includes a handful of professionals who may not have been hospitalized but have found effective methods to help those in distress Read this work if you want to see what happens in intense psychological experiences and how the path to healing has been discovered

A COURTEZAN FOR THE PRIEST Fiona Walters,2013-06-04 An English woman who is romantically involved with a Greek Orthodox priest on a remote Aegean island is eventually revealed as a call girl via a Greek magazine article she consented to be interviewed for some time previously This though is not what gets the parishioners backs up as the affair unfolds Vestiges of a pagan past still linger here which resonate with Maggy via a dream so at the priest s request she undertakes the role of oracle to divine the outcome of any repercussions The divination proves to be far more prophetic than he bargained for
