Cutting Performances James M. Harding, 2012-06-26 Sheds light on the critical role that women artists have played in the evolution of the American avant garde *Paul Robeson and the Cold War Performance Complex* Tony Perucci, 2012-04-18 Two key performances by Paul Robeson shed light on the Cold War era **The Captive Stage** Douglas A. Jones, 2014-07-09 A revealing exploration of Northern proslavery sentiment during the period before the Civil War *Passionate Amateurs* Nicholas Ridout, 2013-10-14 A rich historically grounded exploration of why theater and performance matter in the modern world *The Sarah Siddons Audio Files* Judith Pascoe, 2013-03-01 The theatre scholar's daunting but irresistible quest to recover some echoes of performance of the past has never been more engagingly presented than in Pascoe's account of tracing the long silenced voice of Sarah Siddons Her report is a warm witty and highly informative exploration of the methodology and the pleasures of historical research Marvin Carlson author of *The Haunted Stage The Theatre as Memory Machine* During her lifetime 1755-1831 English actress Sarah Siddons was an international celebrity acclaimed for her performances of tragic heroines We know what she looked like an endless number of artists asked her to sit for portraits and sculptures but what of her famous voice reported to cause audiences to hyperventilate or faint In *The Sarah Siddons Audio Files* Judith Pascoe takes readers on a journey to discover how the actor's voice actually sounded In lively and engaging prose Pascoe retraces her quixotic search which leads her to enroll in a Voice for Actors class to collect Lady Macbeth voice prints and to listen more carefully to the soundscape of her life Bringing together archival discoveries sound recording history and media theory Pascoe shows how romantic poets' preoccupation with voices is linked to a larger cultural anxiety about the voice's ephemerality *The Sarah Siddons Audio Files* contributes to a growing body of work on the fascinating history of sound and will engage a broad audience interested in how recording technology has altered human experience

After Live Daniel Sack, 2015-08-20 In the dark of the blackout before the curtain rises the theater holds its many worlds suspended on the verge of appearance How can a performance sustain this sense of potentiality that grounds all live production Or if a stage world does begin what kinds of future might appear within its frame Conceiving of the theater as a cultural institution devoted to experimenting with the future this book begins and ends on the dramatic stage in between it traverses literature dance sculpture and performance art to explore the various futures we make in a live event *After Live* conceives of traditional dramatic theater as a place for taming the future and then conceptualizes how performance beyond this paradigm might stage the unruly nature of futurity Chapters offer insights into the plays of Beckett Churchill Cope and Gombrowicz devised theater practices and include an extended exploration of the Italian director Romeo Castellucci Through the lens of potentiality other chapters present novel approaches to minimalist sculpture and dance then reflect on how the beholder him or herself is called upon to perform when confronted by such work Artaud and His Doubles Kimberly

Jannarone,2012-06-26 A radical re thinking of one of the most canonized figures in theater history theory and practice *No Safe Spaces* Angela C. Pao,2011-02-16 *No Safe Spaces* opens up a conversation beyond narrow polemics Although cross racial casting has been the topic of heated discussion little sustained scholarship addresses both the historical precedents and theoretical dimensions Pao illustrates the tensions and contradictions inherent not only in stage representations but also in the performance of race in everyday life A wonderful book whose potential readership goes well beyond theater and performance scholars Josephine Lee University of Minnesota Non traditional casting increasingly practiced in American theater is both deeply connected to our country s racial self image s and woefully under theorized Pao takes on the practice in its entirety to disentangle the various strands of this vitally important issue Karen Shimakawa New York University *No Safe Spaces* looks at one of the most radical and enduring changes introduced during the Civil Rights era multiracial and cross racial casting practices in American theater The move to cast Latino a African American and Asian American actors in classic stage works by and about white Europeans and Americans is viewed as both social and political gesture and artistic innovation Nontraditionally cast productions are shown to have participated in the national dialogue about race relations and ethnic identity and served as a source of renewed creativity for the staging of the canonical repertory Multiracial casting is explored first through its history then through its artistic political and pragmatic dimensions Next the book focuses on case studies from the dominant genres of contemporary American theater classical tragedy and comedy modern domestic drama antirealist drama and the Broadway musical using a broad array of archival source materials to enhance and illuminate its arguments Angela C Pao is Associate Professor of Comparative Literature at Indiana University A volume in the series *Theater Theory Text Performance* [Dark Matter](#) Andrew Sofer,2013-10-28 *Dark Matter* maps the invisible dimension of theater whose effects are felt everywhere in performance Examining phenomena such as hallucination offstage character offstage action sexuality masking technology and trauma Andrew Sofer engagingly illuminates the invisible in different periods of postclassical western theater and drama He reveals how the invisible continually structures and focuses an audience s theatrical experience whether it s black magic in *Doctor Faustus* offstage sex in *A Midsummer Night s Dream* masked women in *The Rover* self consuming bodies in *Suddenly Last Summer* or surveillance technology in *The Archbishop s Ceiling* Each discussion pinpoints new and striking facets of drama and performance that escape sight Taken together Sofer s lively case studies illuminate how dark matter is woven into the very fabric of theatrical representation Written in an accessible style and grounded in theater studies but interdisciplinary by design *Dark Matter* will appeal to theater and performance scholars literary critics students and theater practitioners particularly playwrights and directors [Cutting Performances](#) James M. Harding,2012-06-26 A thoughtful and engaging contribution to the field that will have a sustained and lasting impact on the way feminist performance is defined and understood as well as on how feminist histories and historiographies continue to challenge and transform the larger field of performance Charlotte Canning The University of

Texas at Austin Harding forcefully challenges and destabilizes the male centered Eurocentric genealogy of the avant garde which he claims is an uncontested linear positivistic history unproblematicized by theory Then he argues that this gendered biased version of the European avant garde is carried over into American historiography A forceful case for a revisionist history Daniel Gerould The City University of New York Graduate Center Cutting Performances challenges four decades worth of scholarship on the American avant garde by offering a provocative reconceptualization of the history of avant garde performance along feminist lines Focusing on five women artists Elsa von Freytag Loringhoven Gertrude Stein Yoko Ono Carolee Schneemann and Valerie Solanas whose performance aesthetics made prominent use of collage techniques James M Harding sheds light on the cultural history of the avant garde and the role that experimental women artists played in that history He investigates the prominent position that collage technique occupied within the artists performance aesthetic and the decisively feminist inflection that their work gives to collage as a mode of avant garde expression The radical juxtapositions in their works produce the powerful effects of making the familiar strange and establishing contexts from which new understandings may emerge Harding examines the performative dimensions of collage in experimental feminist redefinitions of the literary graphic and theatrical arts filling a void in a scholarly discourse that while ostensibly about the vanguard has lagged well behind other significant theoretical and historiographical currents Cutting Performances not only challenges assumptions that have governed scholarship on the American avant garde but also establishes a context to rethink the history of American avant garde performance along feminist lines It will appeal to audiences interested in theater history and performance studies as well as those interested in the cultural history of the avant garde and the role that feminist experimental artists have played in it James M Harding is Professor of English at the University of Mary Washington His other books include Not the Other Avant Garde Transnational Foundations of Avant Garde Performance with John Rouse Restaging the Sixties Radical Theaters and Their Legacies with Cindy Rosenthal and Contours of the Theatrical Avant Garde Performance and Textuality Illustration Carolee Schneemann in Eye Body 36 Transformative Actions 1963 Action for camera Photograph by Err Reproduced by permission of Carolee Schneemann
