Collection Of 1 Files:

The Chevalier d'Eon and his Worlds Simon Burrows, Jonathan Conlin, Russell Goulbourne, Valerie Mainz, 2009-01-14
Cross dressing author envoy soldier and spy Charles d Eon de Beaumont s unusual career fascinated his contemporaries and continues to attract historians novelists playwrights filmmakers image makers cultural theorists and those concerned with manifestations of the extraordinary D Eon s significance as a historical figure was already being debated more than 45 years before his death Not surprisingly such sensational material has attracted the attention of enthusiasts scholars and literateurs to the strange case of the chevalier d Eon He has also attracted the attention of psychologists and sexologists and for most of the last century his gender transformation has been viewed through a Freudian lens His cross dressing it was usually assumed must have a psychosexual explanation Until the second half of the twentieth century the terms Eonist and Eonism were the standard English words for transvestites and transvestism respectively but Eonism was also thanks to Havelock Ellis widely regarded as a psychological condition or compulsion However in the mid twentieth century new ideas about gender identity disorders led to d Eon being redefined not as a transvestite but a transsexual a person who considers their sex to have been misassigned The essays in this collection contribute to d Eon s rehabilitation as a figure worthy of scholarly attention and display a variety of disciplinary approaches Drawing on new research into d Eon s life this volume offers original and nuanced readings of how a gender identity could come to be negotiated over time [Architectures of Bureaucracy](#) Jens van de Maele, 2025-01-27 This monograph examines the interrelationship between politics and modernist architecture in interwar Belgium focusing on political architectural and administrative elites as propagators of new ideas of governance While Belgium was strongly influenced by neighbouring France and Germany it also developed its own avant garde approaches to socio political problems In the second half of the 1930s the country was the scene of a remarkable political and architectural experiment involving an ambitious plan for the large scale construction of modernist government office buildings These buildings were seen as essential to the development of a technocratic model of governance aimed at strengthening the role of the executive and minimising the influence of parliament More specifically the efficient new office architecture was supposed to create a new type of perfect civil servant whose loyalties would no longer lie with political parties but with scientists and management experts Such experts and scientists constituted a rising elite of homines novi with strong though often veiled political ambitions As such this book contributes to our understanding of political culture in the age of extremes **Illustrator CC** Elaine Weinmann, Peter Lourekas, Chad Chelius, 2014 Get up and running with **Illustrator CC** Whether you re a newbie or an experienced veteran the authors will teach you all you need to know [Around the Sacred Fire](#) J. Treat, 2016-04-30 Around the Sacred Fire is a compelling cultural history of intertribal activism centered on the Indian Ecumenical Conference an influential movement among native people in Canada and the U S during the Red Power era Founded in 1969 the Conference began as an attempt at organizing grassroots spiritual leaders who were

concerned about the conflict between tribal and Christian traditions throughout Indian country By the mid seventies thousands of people were gathering each summer in the foothills of the Rockies where they participated in weeklong encampments promoting spiritual revitalization and religious self determination Most historical overviews of native affairs in the sixties and seventies emphasize the prominence of the American Indian Movement and the impact of highly publicized confrontations such as the Northwest Coast fish ins the Alcatraz occupation and events at Wounded Knee The Indian Ecumenical Conference played a central role in stimulating cultural revival among native people partly because Conference leaders strategized for social change in ways that differed from the militant groups Drawing on archival records published accounts oral histories and field research James Treat has written the first comprehensive study of this important but overlooked effort at postcolonial interreligious dialogue

Photoshop CS6 Elaine Weinmann, Peter Lourekas, 2012 Includes eBook and video access cover

Spirit wrestlers Robert B. Klymasz, Koozma J. Tarasoff, 1995-01-01 The centenary of Doukhobor settlement in Canada 1899 1999 marks a unique chapter in the story of this country and its peoples Twenty six contributors from Canada Russia Japan and the United States offer important insights into the legacy of the Doukhobors with discussions on Doukhobor philosophy and spirituality song traditions and history to aspects of material culture textile arts dress and furnishings and museological concerns Published in English

Roads Through the Everglades Bruce D. Epperson, 2016-06-21 In 1915 the road system in south Florida had changed little since before the Civil War Travelling from Miami to Ft Myers meant going through Orlando 250 miles north of Miami Within 15 years three highways were dredged and blasted through the Everglades Ingraham Highway from Homestead 25 miles south of Miami to Flamingo on the tip of the peninsula Tamiami Trail from Miami to Tampa and Connors Highway from West Palm Beach to Okeechobee City In 1916 Florida s road commission spent 967 In 1928 it spent 6 8 million Tamiami Trail originally projected to cost 500 000 eventually required 11 million These roads were made possible by the 1920s Florida land boom the advent of gasoline and diesel powered equipment to replace animal and steam powered

implements and the creation of a highway funding system based on fuel taxes This book tells the story of the finance and technology of the first modern highways in the South

CanLit Across Media Jason Camlot, Katherine McLeod, 2019-12-12

The materials we turn to for the construction of our literary pasts the texts performances and discussions selected for storage and cataloguing in archives shape what we know and teach about literature today The ways in which archival materials have been structured into forms of preservation in turn impact their transference and transformation into new forms of presentation and re presentation Exploring the production of culture through and outside of the archives that preserve and produce CanLit as an entity CanLit Across Media asserts that CanLit arises from acts of archival critical and creative analysis Each chapter investigates challenges and provokes this premise by examining methods of unarchiving Canadian and Indigenous literary texts and events from the 1950s to the present Engaging with a remediated archive or unarchiving allows the authors and editors to uncover how the materials that document past acts of literary production are transformed into new forms and experiences in the present The chapters consider literature and literary events that occurred before live audiences or were broadcast and that are now recorded in print publications and documents drawings photographs flat disc records magnetic tape film videotape and digitized files Showcasing the range of methods and theories researchers use to engage with these materials CanLit Across Media reanimates archives of cultural meaning and literary performance Contributors include Jordan Abel University of Alberta Andrea Beverley Mount Allison University Clint Burnham Simon Fraser University Jason Camlot Concordia University Joel Deshayé Memorial University of Newfoundland Deanna Fong Simon Fraser University Catherine Hobbs Library and Archives Canada Dean Irvine Agile Humanities Karl Jirgens University of Windsor Marcelle Kosman University of Alberta Jessi MacEachern Concordia University Katherine McLeod Concordia University Linda Morra Bishop's University Karis Shearer University of British Columbia Okanagan Felicity Tayler University of Ottawa and Darren Wershler Concordia University
