Disturbing Practices Laura Doan,2024-05-31 For decades the history of sexuality has been a multidisciplinary project serving competing agendas Lesbian gay and queer scholars have produced powerful narratives by tracing the homosexual or queer subject as continuous or discontinuous Yet organizing historical work around categories of identity as normal or abnormal often obscures how sexual matters were known or talked about in the past Set against the backdrop of women s work experiences friendships and communities during World War I Disturbing Practices draws on a substantial body of new archival material to expose the roadblocks still present in current practices and imagine new alternatives In this landmark book Laura Doan

clarifies the ethical value and political purpose of identity history and indeed its very capacity to give rise to innovative practices borne of sustained exchange between queer studies and critical history. *Disturbing Practices* insists on taking seriously the imperative to step outside the logic of identity to address questions as yet unasked about the modern sexual past.

The Fury Archives Juno Jill Richards, 2020-08-11

In the late nineteenth and early twentieth centuries radical women's movements and the avant gardes were often in contact with one another brought together through the socialist internationals. Juno Jill Richards argues that these movements were not just socially linked but also deeply interconnected. Each offered the other an experimental language that could move beyond the nation state's rights of man and citizen suggesting an alternative conceptual vocabulary for women's rights. Rather than focus on the demand for the vote *The Fury Archives* turns to the daily practices and social worlds of feminist action. It offers an alternative history of women's rights practiced by female arsonists, suffragette rioters, industrial saboteurs, self-named terrorists, lesbian criminals, and queer resistance cells. Richards also examines the criminal proceedings that emerged in the wake of women's actions tracing the way that citizen and human emerged as linked categories for women on the fringes of an international campaign for suffrage. Recovering a transatlantic print archive, Richards brings together a wide range of activists and artists including Lumina Sophie, Ina C. saire, Rosa Luxemburg, Rebecca West, Angelina Weld Grimké, Elizabeth Gurley Flynn, Hannah Hoch, Claude Cahun, Paulette Nardal, and Leonora Carrington. An expansive and methodologically innovative book, *The Fury Archives* argues that the relationship of women's rights movements and the avant gardes offers a radical alternative to liberal discourses of human rights in formation at the same historical moment.
