Clifford And Claudia A Novel:

Clifford and Claudia James Halat, 2015-10-10 It takes my keen eye no time at all to discern that Clifford is prettier than Claudia Clifford and Claudia is powered by two remarkable characters a young dreamer and oddball traveler Charles whose embarks on a journey that brings him to a cozy pizza shop owned by Clifford and Claudia and a talkative cranky old woman called Clara Belle who is out to save mankind equipped with a pack of Camels a glass of scotch and a mouth that could take the paint off a passing automobile As their paths become irrevocably entangled Charles finds himself falling in love with the delightful Mr Chips only to have that love brutally ripped from him in the brief moments of a senseless act He enters a world where dreams are denied happiness is destroyed and the only way to escape from this nightmare is to untangle himself from what cannot be untangled We follow Charles in his heroic and at times bizarre attempts to weather among other things a fabricated childhood improbable snowfalls a shrinking adversary and a train ride to end all train rides in his remarkable struggle to reclaim what is rightfully his And through it all not once does Charles take his eye off the prize in this savagely funny portrait of a young man s coming of age during his desperate days of life with Clifford and Claudia

The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement
