Typography

The Brand Standards use the Gotham font family. The font family can be purchased at www.typography.com.

When local character language sets prohibit the use, the local Market Group should set and communicate a standard font to as close to the Gotham typeface as possible.

Primary Font

Gotham Medium should be used for headlines on all executions and Brand Communications.

Body Copy

Gotham Book should be used for body copy on all Brand Communications. However, Gotham Medium is the preferred font.

Offer / Pricing

Gotham Bold should be used for functional messaging only, such as pricing or a call to action.

Substitute Font

When Gotham is unavailable, the Arial font may be used for internal communications or test font only. Do not use Arial in consumer executions.

Campaign Font

A campaign can use its own type treatment and specific primary font instead of Gotham. However, use Gotham Medium for all supporting copy, sub-heads and offer font.

Usage Rights

The Coca-Cola Company does not have global rights to any of the Brand fonts except for Helvetica. All agencies producing designs according to these Brand Standards are responsible for purchasing all other fonts in their market and abiding by the terms of the seller's license agreement. The Coca-Cola Company accepts no responsibility for illegal use of any font or designs produced by any third party agency.
