Eye Technician Study Notes Diane Farmer, 2013-02-17 A compilation of tidbits and factoids to assist in preparation for JCAHPO testing at COA COT and COMT levels I ve had at least a dozen people in the last couple months ask for copies of my self compiled notes I used for studying for and passing the JCAHPO COA COT and COMT tests Typically when someone asks I gladly and dutifully run out to Kinko s copy and print the files and sometimes have them spiral bound for ease of use as well and then am reimbursed for the cost I ve finally decided to streamline the process and get out of the middle of it AND produce a nicer looking product and save gas

money and time in front of the printer lol The factoids are compiled from a multitude of resources through the years and started geared towards the COA It was then added to and grown as I studied for the COT and COMT exams I've found that different resources sometimes contradict one another so occasionally you'll find some contradictions in the notes as well
