Accordingly, this handbook has been prepared giving complete details of maintenance activities. Colored photographs have been provided to clarify the maintenance practices and testing procedure.

The objective of this book is to provide a tool to the staff involved in maintenance during POH to reduce cases of PEASD failure thereby improving safety and throughput of Indian Railways.

This hand book is aimed at assisting concerned staff and does not supersede any existing instructions from Railway Board, R.D.S.O. or IRCA-IV etc. Most of data and information mentioned herein are available in some form the other in various books and manuals or other printed matter. If any changes are made, these will be used in the form of correction slips. For convenience, this book includes a proforma for entering all correction slips serially.
