

Reading Comprehension

Buffy the Bear

Once upon a time, in a faraway land, there lived a group of white bears. These bears were not like any other bears, for they possessed a magical power that made them special. They had the ability to change their shape and become human-like at will.

The white bears lived in harmony with the people of the land, and they were greatly respected and admired by all. They were known to be wise and kind, and they often helped the people with their problems. The villagers would often go to the bears for advice, and the bears would always have a wise solution to offer.

One day, a great danger threatened the land. A giant dragon had appeared and was terrorizing the villages, burning down houses and causing destruction everywhere it went. The people were terrified and did not know what to do. They went to the white bears for help, and the bears knew that they had to do something to stop the dragon.

The white bears knew that their shape-shifting abilities would be the key to defeating the dragon. They changed into human form and set out to find the dragon's lair. After many days of traveling, they finally found the dragon's lair at the top of a tall mountain. The dragon was asleep when they found it, and the bears knew that they had to act quickly.

The bears changed back into their bear form and attacked the dragon. The dragon woke up and fought back, but the bears were too powerful. They were able to defeat the dragon
