Candy Luke Davies:

Candy Luke Davies, 1998-06-16 Candy is beside me drenched in sweat She s breathing gently long slow breaths I imagine her soul going in and out wanting to leave wanting to come back wanting to leave wanting to come back The day will soon harden into what we need to do But for now we have each other He met Candy amid a lush Sydney summer Gorgeous sexy free spirited Candy They fell in love fast lots of laughter and lust the days melting warmly into each other He never planned to give her a habit But she wanted a taste And wasn t love after all about sharing lives Candy had a bit of money and in the beginning everything was beautiful Heady heroin hazed days the world open and inviting But when the money ran out the craving remained and the days ceased their luxurious stretch But there was still love Only now it was a threesome Heroin had its own demands its own timetable and thoughts of nabbing the next fix hurled them into each day Then when desperation sets in Candy will stop at nothing to secure a blast as she and her lover become hostage to the nightmarish world of addiction Painful sexy tender and charged with dark humor Candy provocatively charts the daily rituals of two lovers maintaining a long term junk habit Told in stunningly vivid prose and set against the backdrop of suburban and urban Australia Candy is both an electrifying and frightening glimpse of contemporary life and love **Addiction,**

Representation and the Experimental Novel, 1985 2015 Heath A. Diehl, 2020-12-15 Since the nineteenth century the Western realistic novel has persistently represented the addict as a morally toxic force bent on destroying the institutions practices and ideologies that historically have connoted reason order civilization Addiction Representation undertakes an investigation into an alternative literary tradition that unsettles this limited portrayal of the addict The book analyzes the practices and politics of reading the experimental addiction novel and outlines both a practice and an ethics of reading that advocates for a more compassionate response to both diegetic and extra diegetic addicts an approach that at its core is focused on understanding **Time, Space and the Human Body: An Interdisciplinary Look** Rafael F. Narváez, Leslie R. Malland, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Concerns about the human body and soul and their relationship to the world around us are as old as Western Culture itself Beyond philosophy and theology these sorts of preoccupations have also marked the arts literature and poetry and to be sure they have influenced Western culture and have marked westerners imaginations and our everyday understanding of human nature This book considers various ways in which the body is and has been addressed and depicted over time and it is also a reflection on the ways in which the very spaces that we design and inhabit likewise reflect perceived ideas and misconceptions about the human body

Intervening Spaces Nicole Prowse, 2018-05-07 Intervening Spaces examines the interconnectedness between bodies time and space the oscillating and at times political impact that occurs when bodies and space engage in non conventional ways Bodies intervene with space creating place Likewise space can reconceptualise notions of the subject body Such respatialisation does not occur in a temporal vacuum The moment can be more significant than a millennia in producing new
