Cartwheels In A Sari A Memoir Of Growing Up Cult:

Cartwheels in a Sari Jayanti Tamm, 2010-12-07 In this colorful eye opening memoir Jayanti Tamm offers an unforgettable glimpse into the hidden world of growing up cult in mainstream America Through Jayanti s fascinating story the first book to chronicle Sri Chinmoy she unmasks a leader who convinces thousands of disciples to follow him scores of nations to dedicate monuments to him and throngs of celebrities Sting Pope John Paul II Nelson Mandela to extol him When the short bald man in flowing robes prophesizes Jayanti to be the Chosen One her life is forever entwined with the charismatic guru Sri Chinmoy who declares himself a living god A god who performs sit ups and push ups in front of thousands as holy ritual protects himself with a platoon of bodyguards and bans books TV and sex Jayanti s unusual and increasingly bizarre childhood is spent shuttling between the ashram in Queens New York and her family s outpost as Connecticut missionaries On the path to enlightenment decreed by Guru Jayanti scrubs animal cages in his illegal basement zoo cheerleads as he weight lifts an elephant in her front yard and trails him around the world as he pursues celebrities such as Princess Diana and Mother Teresa But when her need for enlightenment is derailed by her need for boys Jayanti risks losing everything that she has ever known including the person that she was ordained to be With tenderness insight and humor Jayanti explores the triumphs and trauma of an insider who longs to be an outsider her hard won decision to finally break free and the unique challenges she confronts as she builds a new life

Escaping Utopia Janja Lalich, Karla McLaren, 2017-09-01 We think of cults as bizarre inexplicable or otherworldly places that only strange people inhabit but cults and other abusive and high demand groups and relationships are actually quite commonplace In fact the behaviors social pressures and authoritarian structures that create cults exist to a greater or lesser extent in every human relationship and every human group In the first in depth research of its kind the author interviewed sixty five people who were born in or grew up in thirty nine different cultic groups spanning more than a dozen countries What s especially interesting about these individuals is that they each left the cult on their own without outside help or internal support In Escaping Utopia Growing Up in a Cult Getting Out and Starting Over the authors craft Lalich s original and groundbreaking research into an accessible and engaging book the first of its kind focusing on this particular population

Cults Norah Piehl, 2012-12-28 This assembly of essays explores issues related to cults including the differences between new religious movements and cults how ordinary activities and organizations can become cult like and whether or not the government should interfere with cults The essays presents diversity of opinion on the topic including both conservative and liberal points of view in an even balance Readers will explore how respected organizations can deteriorate into cults They will look at how law enforcement reacts to religious sects Another essay analyzes whether Falun Gong is a movement uprising or cult Essay sources include Mitch Horowitz Arian Campo Flores Hugh B Urban and Catherine Elton

Depth Psychology, Cult Survivors, and the Role of the Daimon Linda R. Quennec, 2024-06-10 This book explores the possibilities that exist for navigating out of and away from multiple levels of

oppression through memoir based research It considers how those raised in oppressive high demand communities colloquially referred to as cults can emancipate themselves from controls and expectations inculcated from early childhood and examines processes surrounding the psychological reclamation of self Exploring and metaphorically tending to an orienting psychological dynamic that the ancient Greeks related to as the daimon and using the perspectives of Jungian and post Jungian depth psychology the author investigates how subjects can reclaim agency and avoid excessive control over their thoughts attention and life s intentions They suggest that depth psychologically oriented modes can be used to this attunement and explore this notion through a study of memoirs of individuals who were raised in cults Suggesting a more aligned approach to working with varying levels of psychological constraint and utilizing a phenomenological hermeneutic study it will appeal to scholars and professionals in depth psychology and other psychological orientations as well as individuals who are interested in more deeply understanding the psychological mechanisms involved in leaving a high demand group or other oppressive situations

[The Goodbye Man](#) Jeffery Deaver, 2021-03-30 THE INSPIRATION FOR THE CBS ORIGINAL SERIES TRACKER In this twisty thriller from the New York Times bestselling master of suspense reward seeker Colter Shaw infiltrates a sinister cult after learning that the only way to get somebody out is to go in In the wilderness of Washington State expert tracker Colter Shaw has located two young men accused of a terrible hate crime But when his pursuit takes a shocking and tragic turn Shaw becomes desperate to discover what went so horribly wrong and if he is to blame Shaw s search for answers leads him to a shadowy organization that bills itself as a grief support group But is it truly it a community that consoles the bereaved Or a dangerous cult with a growing body count Undercover Shaw joins the mysterious group risking everything despite the fact that no reward is on offer He soon finds that some people will stop at nothing to keep their secrets hidden and to make sure that he or those close to him say goodbye forever

[Meeting the Shadow on the Spiritual Path](#) Connie Zweig, 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment Explains why we are drawn to charismatic leaders what we unconsciously give away to them and how to reclaim our inner spiritual authority Explores how to recover from spiritual abuse or betrayal by a teacher or group including breaking free of denial projection and dependency using psychology and shadow work Extends MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways leaving their followers traumatized and lost Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves to awaken to our unity with all of life Yet no matter the spiritual path we choose we inevitably encounter our own shadow those unconscious aspects of ourselves that we suppress or deny or the shadows of our teachers and their secret desires about money sex and power Meeting the shadow can derail the journey but according to Connie Zweig Ph D we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity Calling on us to expand our vision of religious and spiritual life and our vision of awakening to include the human shadow Zweig examines the

yearning that sets us on the spiritual path showing how it can lead to ecstatic transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher priest or guru who abuses power She tells the stories of renowned teachers Sufi poet Rumi Hindu master Ramakrishna and Christian saint Catherine of Siena whose lives unfolded as they followed their spiritual yearning And she tells the cautionary tales of contemporary teachers of Buddhism Hinduism and Catholicism who acted out their shadows in devastating ways leaving their followers traumatized and lost She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality She describes how to use spiritual shadow work to separate from abusive teachers reclaim inner spiritual authority and heal from betrayal With guidance for both inspired and disillusioned seekers the author explores how to navigate the narrow path through the darkness toward the light rekindle the flame of longing and once again engage in fulfilling spiritual practice **The**

Phantom God John C. Wathey, 2022-10-15 Does neuroscience have anything to say about religious belief or the existence of God Some have tried to answer this question but in doing so most have strayed from the scientific method In *The Phantom God* computational biologist and neuroscientist John C Wathey Ph D tackles this problem head on exploring religious feelings not as the direct perception by the brain of some supernatural realm nor as the pathological misfiring of neurons but as a natural consequence of how our brains are wired Unlike other neurobiological studies of religion and spirituality *The Phantom God* treats mysticism not as something uniquely human and possibly supernatural in origin but as a completely natural phenomenon that has behavioral and evolutionary roots that can be traced far back into our vertebrate ancestry Grounded in evolutionary and behavioral biology this highly original and compelling book takes the reader on a journey through the neural circuitry of crying innate knowledge reinforcement learning emotional bonding embodiment interpersonal perception and the ineffable feeling of certainty that characterizes faith Wathey argues that the feeling of God's presence is spawned by innate neural circuitry similar to the mechanism that compels an infant to cry out for its mother In an adult this circuitry can be activated under conditions that mimic the extreme desperation and helplessness of infancy generating the compelling illusion of the presence of a loving powerful and all knowing savior When seen from this perspective the illusion also appears remarkably like one that has long been familiar to neurologists the phantom limb of the amputee spawned by the expectation of the patient's brain that the missing limb should still be there Including a primer on the basic concepts and terminology of neuroscience *The Phantom God* details the neural mechanisms behind the illusions and emotions of spiritual experience *Gurus of Modern Yoga* Mark Singleton, Ellen Goldberg, 2014 *Gurus of Modern Yoga* explores the contributions that individual gurus have made to the formation of the practices and discourses of yoga in today's world [Missions,](#)

[Mantras, Migrants and Microchips](#) Leonard A Gordon, 2025-04-10 The fame of people like Priyanka Chopra Satya Nadella Sundar Pichai Kumail Nanjiani Indra Nooyi Mindy Kaling M Night Shyamalan Tata Consultancy Services TCS sponsorship of the New York City Marathon the ubiquitousness of Indian restaurants and yoga studios in many American cities and much

else illustrates the close relationship the US and India enjoy today From the 1780s onwards there have been relationships of various kinds all mediated until India's independence through the British Raj While ties in the eighteenth and nineteenth centuries were somewhat thin the closer relationship through three quarters of the twentieth century has now become an extremely close one as India has sent large rivers of people and goods to America and Americans have responded with growing interest and involvement in India This despite occasional blips like the Bhopal industrial disaster Missions Mantras Migrants and Microchips takes the long view of the Indo US encounter Besides documenting well known ties it also brings into focus some ignored and forgotten people like Kumar Goshal Ida Scudder Charles Page Perin John Bissell and Maharishi Mahesh Yogi Deeply researched and engagingly written by veteran historian Leonard A Gordon this work is the definitive account of the Indo US connection

Not Who We Expected Lisa Black, 2025-02-25 Dynamic forensic analysts Ellie Carr and Rachael Davies return in New York Times bestselling author Lisa Black's latest riveting Locard Institute thriller as they solve a deadly mystery unfolding in the shadow of a celebrated rock star The two crime experts are enlisted by legendary rock star Billy Diamond to find his missing daughter A level headed student at Yale Devon left six months earlier with her boyfriend Carlos for a career development retreat in Nevada Her calls and notes became less frequent until they stopped Billy wanted to give his daughter space but after learning Carlos' body was found a few miles upstream from the ranch he needs answers Rachael and Ellie hatch a plan as Ellie goes undercover Rachael will work with Billy to find out about Devon But Rachael has a second agenda to find out why Billy seems so familiar with her late sister Isis whose little boy Rachael is raising The music idol is hiding something but what The southwest ranch is full of surprises Devon is not only alive but thriving and no one mentions Carlos The attendees follow their leader Galen with slavish devotion and their daily mind body exercises stretch from brain numbing to downright treacherous If Galen is behind some nefarious scheme how does it relate to the rock star and his daughter To answer those questions Rachael will also have to ask Who was her sister Isis really The answers will draw Ellie and Rachael deeper into danger In Billy's world and in Galen's the living the missing and the dead all have secrets

The Top Books of the Year Cartwheels In A Sari A Memoir Of Growing Up Cult The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Cartwheels In A Sari A Memoir Of Growing Up Cult : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Cartwheels In A Sari A Memoir Of Growing Up Cult : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
