

Cary Grant A Life In Pictures

Jenny Curtis

Cary Grant A Life In Pictures:

Cary Grant Jenny Curtis,1998 A virtual personal photo album Cary Grant A Life in Pictures gives the highlights of the actor's career from his working class beginnings to stardom as the ultimate symbol of style and sophistication Packed with photos and information this pictorial biography is sure to please fans of this most debonair of film stars 135 color b w photos

Cary Grant Yann-Brice Dherbier,2011-12-01 Cary Grant enjoys a special status in Hollywood he embodies masculine chic He was the inspiration for Ian Fleming's famous British spy James Bond a mixture of chic virility and sex appeal Interestingly in 1962 Cary Grant actually turned down the role of agent 007 James Bond in the film Dr No However far from being just a dandy with a sense of humour Cary Grant was an accomplished actor nominated twice for an Oscar and five times for a Golden Globe as well as Alfred Hitchcock's favourite actor This book provides a pictorial account of his fascinating life story It's the story of Archie Leach born in England into poverty and who transformed himself into Cary Grant and became rich and famous in America With his suave debonair personality he conquered Hollywood and became an intimate friend of Audrey Hepburn Grace Kelly and Sofia Loren He was a leading man for over 30 years and ended his days as an influential actor and businessman with all the trappings of success a magnificent manor house a private jet and the sumptuous leather of a Rolls Royce with a CG1 licence plate *Cary Grant* Scott Eyman,2020-10-20 Film historian and acclaimed New York Times

bestselling biographer Scott Eyman has written the definitive captivating Associated Press biography of Hollywood legend Cary Grant one of the most accomplished and beloved actors of his generation who remains as popular as ever today Born Archibald Leach in 1904 he came to America as a teenaged acrobat to find fame and fortune but he was always haunted by his past His father was a feckless alcoholic and his mother was committed to an asylum when Archie was eleven years old He believed her to be dead until he was informed she was alive when he was thirty one years old Because of this experience Grant would have difficulty forming close attachments throughout his life He married five times and had numerous affairs Despite a remarkable degree of success Grant remained deeply conflicted about his past his present his basic identity and even the public that worshipped him in movies such as Gunga Din Notorious and North by Northwest This estimable and empathetic biography The Washington Post draws on Grant's own papers extensive archival research and interviews with family and friends making it a definitive and complex portrait of Hollywood's original leading man Entertainment Weekly

LIFE ,1948-01-12 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Audrey**

Hepburn A Life in Pictures Yann-Brice Dherbier,2007-09-04 A pictorial biography of Audrey Hepburn features personal and professional photographs of the actress and activist **American Legends** Charles River Charles River Editors,2018-03-02

Includes pictures of important people places and events Includes Cary Grant's quotes about his own life and working with

other Hollywood stars Includes a bibliography for further reading Everyone wants to be Cary Grant Even I want to be Cary Grant Cary Grant A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Movie stars are revered for their ability to captivate audiences and perhaps no actor has done it as well as Cary Grant the epitome of the suave debonair actor who may have been rivaled only by dancer extraordinaire Fred Astaire Grant offered a version of the male actor that stood in stark contrast with the gangster heroes and hard boiled film noir detectives that populated the screen throughout his career Impeccably groomed and always clad in dapper attire Grant possessed a magnetism that was undeniably attractive all while managing to come across as well heeled and socially respectable As a result there was an archetypal quality to Cary Grant that endeared him to both male and female viewers After all he was able to star in major movies well into his 60s and even after he retired Grant never lost his charm and continued to maintain a universal appeal that has almost never been rivaled Cary Grant occupies an almost sacred place in American film history but it is still important to recognize that the persona that has enchanted audiences for decades was in fact a creation Grant was not born with the charm and elegance he later exuded and the contrast between his upbringing and the man he would later become is arguably the most remarkable aspect of his life story Born into a dysfunctional family Grant had a tumultuous childhood that saw him tasked with perpetually overcoming major adversity With a mother who was too ill to care for him and a father whose interests lay elsewhere he was in many respects charged with raising himself a dynamic entirely antithetical to the affluent characters he famously portrayed in films such as *The Philadelphia Story* 1939 *To Catch a Thief* 1953 and *An Affair to Remember* 1957 The progression from Grant s youth to his glamorous adult life was a complex transformation of its own and it is a Hollywood rags to riches story of its own At the same time Grant s rise to stardom was due to an intricate web of factors including his own natural acting ability developments in the motion picture industry and the fortuitous opportunity to consistently work with gifted directors who molded his image Like nearly every big star Grant was an exceptionally gifted actor and someone who benefited from a fortunate string of career opportunities that he took advantage of to full effect American Legends The Life of Cary Grant examines the life and career of Hollywood s most iconic leading man Along with pictures of important people places and events you will learn about Cary Grant like never before in no time at all **LIFE** ,1948-06-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser

Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **William Powell** Roger Bryant, 2014-12-09 Actor William Powell is perhaps best known for his roles as charming Nick in The Thin Man films and blustery Clarence Day in Life with Father As diverse as those characters are they don't begin to reveal the full scope of talent demonstrated by one of Hollywood's most intelligent leading men Elegant witty and dignified Powell created accessible and human characters in a great variety of roles His talent was such that Powell has a large and growing fan base 50 years after his last film was released evidenced by the popularity of DVD rereleases and the frequent appearance of his films on cable television The focus of this book is Powell's work in more than 90 films from the silent era to the age of CinemaScope woven into the dramatic and touching story of the actor's life It begins by leaping into how Powell and actress Myrna Loy were launched to stardom as husband and wife Nick and Nora Charles in The Thin Man The next chapter sets the stage for the baby Powell's entry into the world in 1892 and details his childhood and upbringing Following chapters trace Powell's journey into the film industry his early career as a popular villain and his transition to talkies in the late 1920s aided by his stage training The book details his work at Warner Bros which turned him into a leading man and his years of stardom at MGM The book describes turning points in Powell's life the death of lover Jean Harlow a 21 month hiatus from films while the actor battled cancer and a new leap to the top in Life with Father Concluding chapters detail another flurry of films and the actor's retirement A filmography lists Powell's films from 1922 to 1955 including those believed to be lost *Howard Hawks* Todd McCarthy, 1997 In this first major biography of one of the greatest Hollywood directors McCarthy explores Hawks's life and career through his landmark body of work which includes the films Scarface Bringing Up Baby The Big Sleep Rio Bravo and others Photos
