Case Against Christ Testament Reverend:

The Case Against the Case for Christ Robert M. Price,2010 Hunting for the word of God Sami Ameri,2017-12-09

Almost a century ago scholars were debating the authenticity of some passages of the New Testament After a revolutionary renaissance in the field of biblical textual criticism however they began to doubt the genuineness of the entire text No longer are we able to claim the authenticity of even one passage from the New Testament The whole Christian edifice is now in danger Conversely today the authenticity of the Qur'anic text is also being challenged by questioning the Islamic version of the preservation of the Muslim holy book and the preservation of the canonical readings of the original text In the last decade some missionaries started using the recent discovery of Qur'anic manuscripts in Sana'a Yemen to claim that there had been an early corruption of the text This book aims at taking its readers on a journey through the latest academic research on the topic in the hope of bringing them as close as possible to the heart of the debate It also has as its objective to provide the most satisfactory answers to the most bewildering questions readers may have about the authenticity of the two texts in question the New Testament and the Qur'an The author's expertise in both areas the Biblical and Qur'anic will enable the reader to gain solid knowledge of the subject matter tackled in this book **A Commentary, Critical, Experimental, and**

Practical, on the Old and New Testaments: Acts-Romans Robert Jamieson,David Brown,Andrew Robert Fausset,1874

The Christian Century ,1928

Twisted Cross Doris L. Bergen,2000-11-09 How did Germany's Christians respond to Nazism In *Twisted Cross* Doris Bergen addresses one important element of this response by focusing on the 600 000 self described German Christians who sought to expunge all Jewish elements from the Christian church In a process that became more daring as Nazi plans for genocide unfolded this group of Protestant lay people and clergy rejected the Old Testament ousted people defined as non Aryans from their congregations denied the Jewish ancestry of Jesus and removed Hebrew words like Hallelujah from hymns Bergen refutes the notion that the German Christians were a marginal group and demonstrates that members occupied key positions within the Protestant church even after their agenda was rejected by the Nazi leadership Extending her analysis into the postwar period Bergen shows how the German Christians were relatively easily reincorporated into mainstream church life after 1945 Throughout *Twisted Cross* Bergen reveals the important role played by women and by the ideology of spiritual motherhood amid the German Christians glorification of a manly church
