Data Mining Your Website Jesus Mena, 1999-07-15 Turn Web data into knowledge about your customers. This exciting book will help companies create, capture, enhance, and analyze one of their most valuable new sources of marketing information: usage and transactional data from a website. A company's website is a primary point of contact with its customers and a medium in which visitor's actions are messages about who they are and what they want. Data Mining Your Website will teach you the tools, techniques, and technologies you'll need to profile current and potential customers and predict online interests and behavior. You'll learn how to extract from the huge pools of information your website generates insights into online buying patterns and how to apply this knowledge to design a website that better attracts, engages, and retains online customers. Data Mining Your Website explains how data mining is a foundation for the new field of web-based interactive retailing, marketing, and advertising. This innovative book will help web developers and marketers, webmasters, and data management professionals harness powerful new tools and processes. The first book to apply data mining specifically to e-commerce. Learn effective methods for gathering, managing, and mining Web customer information. Use data mining to profile customers and create personalized e-commerce programs.

For Richer, Not Poorer Deborah A. Wilburn, 2005 A timely guide to finances for newlywed couples explains how to achieve future financial stability and success with practical advice on how to plan a dream wedding without going broke, eliminating debt, bank accounts, saving for a house, and retirement, filing taxes, insurance, and more. Close Your Tab & Don't Look Back Angela Ozar, 2018-02-09 If you were gifted debt along with your diploma and you are afraid of what comes after the best four years of your life, this book is for you. I've been there and just like finals week, I survived by repaying 30K in 3 years instead of 20. And you will too. Life after college doesn't have to be intimidating. Let me be your translator for the important stuff so you can enjoy the perks of your new life. I'll cut through the complicated so you can understand your government student loan and have a practical plan to pay it off quickly because no one wants to be celebrating their 40th birthday and still making payments on their loan. As a recent college grad, this book became my survival guide. This entertaining read became my go-to source while navigating the crazy

world that awaits postgrad Angela answered the questions I was afraid to ask and gave me advice before I even knew I would need it She became the big sister I never had and instilled me with a sense of confidence in not only the way I manage my money but also in my future Caitlin class of 2017
