Communion with the Triune God Dick O Eugenio, 2014-08-28 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavours of theologians to integrate the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology Communion with the Triune God seeks to answer this question

God as Communion Patricia Fox,2001 God As Communion explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today **Trinitarian Soundings in Systematic Theology** Paul Louis Metzger,2010-07-15 Trinitarian Soundings in Systematic Theology is a multi authored exploration of systematic theology from a Trinitarian perspective Its aim is to show how the doctrine of the Trinity sheds light on other key doctrines from prolegomena to eschatology and theological ethics To borrow a phrase from Robert Jenson the doctrine of the Trinity is not a separate puzzle to be solved but the framework within which all theology s puzzles are to be solved Given the scarcity of systematic theologies done trinitarianly this collective project suggests a path to follow in the formulation of each particular doctrine represented in the volume Trinitarian Soundings promises to become an important work given its unique presentation of major themes of systematic theology in their classical order yet from a Trinitarian point of view Its contributors include veteran theologians as well as younger scholars who are energetically employing this Trinitarian focus The contributors represent various theological traditions and geographical locations which surely bring richness to the theological inquiry Dedicated to the memory of a pioneer in the resurgence of Trinitarian theology the late Prof Colin Gunton this collection represents a distinctive treatment of systematics intent on showing the vitality of approaching all aspects of the faith from a self consciously Trinitarian perspective **Preaching Union with Christ and Communion with the Triune God at Cool Community Church, Cool, California** Andrew D. Buell,2021 *God, Freedom, and the Body of Christ* Alexander J. D. Irving,2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit This is developed through a

dialogical or covenantal frame that has its focal point in Christ in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized The Church as the body of Christ participates in the mediatorial work of Jesus Christ Each chapter explores a different element of this participatory ecclesiology This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center This foundation provides the basis upon which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures **John Wesley's Scriptural Christianity** Thomas C. Oden, 1994 This important work condenses the teachings of John Wesley 18 massive teachings and writings into one remarkably consistent highly accessible volume for the masses This first book in a series is based primarily on Wesley s sermons Later books will deal with his pastoral and ethical teachings Lightning Print On Demand Title
