Church Board Members Duties:

Thirty Days to Better Board Members and Meetings Jerry W. Storz, 2022-12-12 Author Jerry W Storz s experiences with board service and all things board governance goes back to his childhood watching his parents deal with the joys and struggles of service as church board members for a small church Eventually he made a career out of working with faith based organizations where he found that some board members knew their roles and responsibilities while others clearly did not understand As a response to his observations Storz presents Thirty Days to Better Board Members and Meetings intended for use as a devotional and discussion guide He has studied faith based board members behavior and now offers both nuggets of truth from scripture and board governance tips that he has gathered over these last few years What s more he aims to bring the two together allowing board members to learn and apply board principles and best practices so that they begin to see the true purpose of their board member service Uplifting and practical this devotional serves as a guide to board members of faith based organizations to help them improve their leadership and service [Who Are You On The Church Board? Breaking Status And Learning How To Serve](#) Elias Do Amaral Viana, 2024-04-15 Who Are You on the Church Board Breaking Status and Learning How to Serve Dear Every time I serve I lead Simone Faria I am Simone Faria graduated in Literature postgraduate five times in different spheres as well as a master in Educational Sciences Teacher Secretary of Education Councilor and Businesswoman Currently Businesswoman and Administrator at First Baptist Church in Farol de S o Thom I recommend this beautiful book Who are you on the Church Board The content of this is profound and brings a demystification of status and comfort about the title reinforcing what we find in Mark 10 45 For the Son of Man himself did not come to be served but to serve and to give his life as a ransom of many As a businesswoman and church administrator I know firsthand the challenges and opportunities that come with leading and serving in a religious context About the book Who Are You on the Church Board is a work that resonates deeply with me for its practical and relevant approach to leadership and service in the church Written by Elias do Amaral Viana the book offers valuable insights into how we can break down barriers and learn to serve with excellence and humility During the dynamic in which all board members had tape over their mouths and were taken to all church offices the question Who are you on the Board echoed in their minds This experience provided a unique opportunity for reflection and introspection about their roles and responsibilities as leaders of the faith community As they walked the halls of the church observing different areas of the congregation insights began to emerge Some board members felt a sense of discomfort when they realized they were physically unable to speak highlighting the importance of open communication and the ability to express ideas and concerns Others were confronted with the reality of how their actions and decisions directly impacted the church s various activities and ministries They saw firsthand the importance of harmonious teamwork and collaboration between different departments to the overall success of the faith community For some the experience served as a powerful reminder that leadership is not just about authority or

position but also about serving and supporting those in your care They recognized the need for humility compassion and empathy in leading the church At the end of the dynamic each board member was challenged to reflect on their answer to the question Who are you on the Board and to consider how they could improve and strengthen their leadership role in the faith community This shared experience helped unite the board in a common purpose and reinforce the commitment to serve God and the church in a meaningful and effective way During the dynamics involving all members of the board the church transformed into a mirror that reflected not only the physical structure but also the internal dynamics and relationships that constituted it As each leader walked through the offices with tape symbolizing the restriction of verbal communication a series of perceptions and reflections began to emerge illuminating fundamental aspects of each person's role and responsibility in leading the church The enforced silence brought to the surface a powerful awareness of the importance of effective communication and the ability to express ideas and concerns clearly and openly It was evident that without the ability to communicate freely leaders faced significant challenges in conveying visions solving problems and making collaborative decisions The journey through the church provided a privileged view of the different areas and ministries that make up the life of the congregation Leaders were able to witness firsthand how their actions and decisions reverberated throughout every corner of the faith community impacting everything from the worship department to the Bible study group For many the experience was a call to responsibility and humility They realized that leadership is not just about authority or position but also about serving and supporting those in your care They recognized the importance of putting themselves in others shoes demonstrating empathy and understanding in their interactions with church members At the end of the dynamic while the tape was removed and verbal communication was restored the leaders came together to share their insights and learnings It was an opportunity to reflect on the meaning of their role on the board and consider how they could improve and strengthen their leadership in the faith community
