American Fiction in the Cold War Thomas H. Schaub, 1991 In *American Fiction in the Cold War* Thomas Hill Schaub makes it clear that Trilling's summary was in itself a mythic reconstruction a prominent example of the way liberal writers in the late 1940s and 1950s came to terms with their political past Schaub's book brilliantly analyzes their efforts to reshape an old liberalism alleged to hold naively optimistic views of human nature scientific reason and social progress into a new skeptical liberalism that recognized the persistence of human evil the fragility of reason and the ambiguity of moral decision Most important as *American Fiction in the Cold War* demonstrates these liberal reassessments of history politics human nature and destiny what Schaub calls the liberal narrative mediated the critical and imaginative production of the literary community after World War II Schaub shows that the elements of this narrative are visible in a wide spectrum of cultural narratives in American history political philosophy and social criticism during the Cold War era His analysis of the dominant critical communities of the late 1940s led by critics such as Lionel Trilling and Irving Howe Cleanth Brooks and Allen Tate recovers the political meanings embedded within their debates over the nature of literary realism the definition of the novel and speculations on its death In the second part of his study Schaub turns to Ralph Ellison Flannery O'Connor Norman Mailer and John Barth His readings of their fiction isolate the political and cultural content of works often faulted for their apparent efforts to transcend social history Reviewing John Barth's *End of the Road* for example he shows the politics of culture concealed within what seems to be a philosophical narrative In novel after novel he demonstrates the liberal narrative is operating from within tuning and steering the direction of the plot and the creation of the character Schaub's penetrating exploration of the relationship between U.S. political and social thought and the literary consciousness in the early postwar years will be of interest to intellectual historians and to

students of American literary culture Cold Kill James Becker, 2018-08-20 Time is running out to catch a gruesome killer in this pulse raising thriller When mutilated cattle are found in New Mexico it s only a matter of time before the killer will seek out human victims And when a series of eviscerated corpses appear on the prairie British detective Steven Hunter seconded to the FBI is assigned the task of finding the twisted murderer But his investigations pull in two conflicting directions Who is flying the mysterious jet black helicopters that have been spotted flying over the crime scenes And do they have anything to do with the killings With no forensic evidence left on the bodies and a series of loner victims with nothing to connect them these cold kills will stretch Hunter to his limits if he wants to stop this predator from finding his next prey Fans of David Baldacci and Robert Harris will be gripped by Cold Kill book two in The Steven Hunter Thrillers Praise for Cold Kill A brilliantly constructed thriller Robert Foster best selling author of The Lunar Code *Threatened Masculinity from British Fiction to Cold War German Cinema* Joseph Willis, 2019-05-30 The impact of the Cold War on German male identities can be seen in the nation s cinematic search for a masculine paradigm that rejected the fate centered value system of its National Socialist past while also recognizing that German males once again had become victims of fate and fatalism but now within the value system of the Soviet and American hegemonies that determined the fate of Cold War Germany and Central Europe This monograph is the first to demonstrate that this Cold War cinematic search sought out a meaningful masculine paradigm through film adaptations of late Victorian and Edwardian male writers who likewise sought a means of self determination within a hegemonic structure that often left few opportunities for personal agency In contrast to the scholarly practice of exploring categories of modern masculinity such as Victorian imperialist manliness or German Cold War male identity as distinct from each other this monograph offers an important comparative corrective that brings forward an extremely influential century long trajectory of threatened masculinity For German Cold War masculinity lessons were to be learned from history namely from late Victorian and Edwardian models of manliness Cold War Germans like the Victorians before them had to confront the unknowns of a new world without fear or hesitation In a Cold War mentality where nuclear technology and geographic distance had trumped face to face confrontation between East and West Cold War German masculinity sought alternatives to the insanity of mutual nuclear destruction by choosing not just to confront threats but to resolve threats directly through personal agency and self determination **The Cold War and its Legacy in Indonesia** Silvia Mayasari-Hoffert, 2023-11-01 Mayasari Hoffert examines the depiction of the Left in Indonesian literature since the anti leftist purge in 1965 With close textual analysis of Indonesian literary texts and their political context this book investigates how the New Order regime under Suharto was able to build a metanarrative of liberation while purging the Left in Indonesia Even after the regime s end in 1998 many Indonesians still have an ingrained fear of the prospect of Communism with the result being that literary representation of the Left is still seen as problematic Through reviewing Indonesia s institution of literature the use and abuse of universal humanism under the New Order regime is examined and the ways in which power

intersects with literature is explored An informative read for scholars and students of Indonesian politics literature and the cultural cold war **Cold Killing (DI Sean Corrigan, Book 1)** Luke Delaney,2013-03-28 Terrifyingly authentic London set debut crime novel with a psychological edge by an ex Met detective Perfect for fans of Mark Billingham Peter James and Stuart MacBride **Cold Quarry** Andy Straka,2011-10-05
