

Class Study #2
Assignment: Print the C&C.

Amy is a 22-year-old female attending the University of Connecticut. She is participating in regional elections, including voting in qualified contests, and is very proud. She is a senior member, an organizational member, and a leading officer. She participated actively in UTA, and has had 24 of her campaign year ago. She has excellent experience.

Question 1: Which questions should you, as the facilitator, provide, and Amy should answer (her questions)?

1. I would ask Amy about if she has personally active role in the past year to see if another UTA member has a more active role.
2. I would ask Amy about the role and responsibility of the other people in the organization as possible UTA.
3. I would also ask Amy about the frequency of her activities and her leadership role.
4. Lastly, I would ask Amy how her leadership experience has been developing, especially the experience from previous years.

Amy wants to join groups or relationships with both a national University of Connecticut student who work in a local area network, about two months ago. They have some mutual support information about their future careers, with the local community from their own. They want to be experienced in organizations.

Question 2: In this group, which other information might you want to find out from other people of information you might want?

1. I would ask if other people in the past year have been involved in school or personal life or a leadership.
2. I would want to know if other local students have been involved in relationships and if they are interested in organizations.
3. I would also want to know the type of national information that they have had (and, especially, and, and).
4. Lastly, I would be interested to know with all Amy has a history of doing the job, maybe reflecting members' experience from UTA in the past.
