Computer Ease Computer Ease:

Computer Ease Helen Gallagher, 2005-11 Computer Ease is a state of mind one you can't reach when you're frustrated. It's hard to feel like a success when your mouse won't move, you're stuck on hold with tech support and you can't format a page margin. There isn't one magical manual for all computer problems because computing is both so broad and so specific to a user's unique needs. But there is a way to understand why computers work the way they do and how you can gain the upper hand. Computer Ease shares a positive strategy and philosophy that has already helped hundreds of the author's clients. The book includes real world solutions, actual user profiles and Helen Gallagher's unique perspective from her years of consulting with Computer Clarity. With this book you can finally understand how to manage your files, deal with error messages, learn keyboard shortcuts, protect your computer from spyware and realize the power of the web. **The Successful Business**
