The Powers of the Presidency , 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition *The Future of Singapore* Kamaludeen Mohamed Nasir, Bryan S. Turner, 2014-05-09 Singapore like many other advanced economies has a relatively low and declining birth rate One consequence of this and a consequence also of the successful economy is that migrants are being drawn in and are becoming an increasing proportion of the overall population This book examines this crucial development and assesses its likely impact on Singapore society

politics and the state It shows that although Singapore is a multi ethnic society migration and the changing ethnic mix are causing increasing strains putting new demands on housing education and social welfare and changing the make up of the workforce where the government is responding with policies designed to attract the right sort of talent The book discusses the growing opposition to migration and explores how the factors which have underpinned Singapore s success over recent decades including a cohesive elite with a clearly focused ideology a tightly controlled political system and strong continuity of government are at risk of being undermined by the population changes and their effects The book also compares the position in Singapore with other East Asian countries including Japan South Korea and the Philippines which are also experiencing population changes with potentially far reaching consequences Congressional Record United States. Congress,2009

Great Inaugural Addresses James Daley,2010-10-18 The president s inaugural address opens a window out to both the Administration and the State of the Union This collection features the voices of 20 Chief Executives from Washington to Obama An update of a previous Thrift it consists primarily of 20th century speeches and offers a valuable reference for students of political science and American history **The New York Times Index** ,2007
