Celebrations Of Joy A Barbourville Novella:

Celebrations of Joy Carolyn Carey, 2015-07-01 The day Melody Mills buried her mother was the day she vowed to save enough money to buy herself a one way ticket out of Barbourville Tennessee Trouble is she has no job no home and very few possessions Enter Judge Robert McCray the most influential man in Barbourville not to mention the most annoying at least in the opinion of Connor Webb The judge wants Connor to hire Melody to manage the bed and breakfast that Connor is trying to establish in the neglected Kessler mansion Connor can't really afford an employee especially one he doesn't need but he can't turn his back on this frail impoverished woman who for some strange reason packs her depleted wardrobe in luggage that's worth at least half a year's wages With both Melody and Connor working hard and exploring new options for the old Kessler estate the launch of a promising business is just around the corner Unfortunately people they thought they'd left behind suddenly reappear and seem determined to derail their plans Will their love for each other be strong enough to help them overcome the challenges from their past and secure their dreams for the future

Who's Who in Religion 1977-78

Marquis Who's Who, LLC, 1977 *The Mysterious Merriana* Carolyn Carey, 2016-12-14 On his way to France to extract an English agent Justin Foster Earl of Cardleigh stops overnight at his favorite country inn only to discover a mysterious female in the kitchen This gorgeous woman claims to be the daughter of an English farmer but she cooks like a French chef and sings French songs like a native of that land When Justin learns that the agent who was supposed to travel with him has been mysteriously disabled he insists the female accompany him to France and serve as his guide Having recently arrived in England on a smuggler's boat Merriana de Merchan has no desire to return to France but the distrustful Earl of Cardleigh who assumes she is a French agent gives her no choice Although aware that she presents a suspicious image she dares not attempt to tell him the full truth for fear of an unknown enemy who seemingly wants her dead As Justin and Merriana struggle toward opposing goals the attraction they feel keeps drawing them closer The question becomes can they trust each other long enough for love to triumph

The Untamable Antonia Carolyn Carey, 2017-02-18 Bored with what she considers the silly customs of Regency society Antonia longs for adventure Unfortunately she couldn't have foreseen that her ambitions would result in a forced marriage and a sea voyage exposing her to situations that would have horrified her straitlaced mother Never one to back down Antonia learns to cope with pirates kidnappings and life on a Caribbean island but she has no idea how to deal with her husband especially after she discovers she's falling in love with him Damien might be heir to an English duke but he has no desire to step into his uncle's shoes Nor does he feel he possesses the traits necessary to take on a duke's responsibilities In fact he feels much more at home at the helm of an American privateering vessel than in a London ballroom Then suddenly he finds himself married to Antonia who is courageous intelligent and a magnet for trouble Despite his plans to leave her behind she somehow manages to insinuate herself into his life and soon it seems into his heart as well Now if he can just figure out how to woo and win her
