**Pathways for Inter-Religious Dialogue in the Twenty-First Century** Vladimir Latinovic, Gerard Mannion, Peter C. Phan, 2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century

**How to Know God Exists** Ray Comfort, 2008-01-15 With the recent wave of books on atheism becoming New York Times best sellers the God debate is heating up Because of the implications it s the most significant question of all time Is there a God or isn t there In this compelling book Ray Comfort argues the case with simple logic and common sense If there is a God surely He

**Muslims, Christians, and the Challenge of Interfaith Dialogue** Jane I. Smith, 2007-10-11 The attacks of September 11 2001 instantly heightened the American public s sensitivity toward matters of religious difference Many Americans realized not only that non Muslims need to learn more about Islam but also that Muslims must better understand and articulate their own faith to themselves and others In this volume Jane Idleman Smith examines the current American Christian Muslim dialogue contextualized both through the history of Islam and of the contemporary West As we approach the sixth anniversary of 9 11 Smith dares to ask what progress has been made through this dialogue what happens when that dialogue fails and what direction it will take in the years to come Smith examines the recent theological writings of both Catholics and Protestants about dialogue and pluralism and shows that since 9 11 a few Muslim scholars in the West have also begun to write about these issues Now she argues many Christians and Muslims are expressing their desire to move beyond theological discussion into what is often called the dialogue of engagement As evidence she points to initiatives among young people women and African Americans as they attempt to find ways to work together in local projects of justice and community service Throughout the book one hears the personal voices of these Muslim and Christian participants in the American interfaith dialogue While many of the encounters between Islam and Christianity over the past 14 centuries have been peaceful Americans know little about the history of religious interaction beyond the Crusades or the fear Europe felt in the face of the invasions of the Turks This volume is intended to educate Americans about the great diversity of Muslims in this country while illustrating how Christians and Muslims are coming together not only to talk to

each other but to work together for the common good

*FINDING INFINITE GOD IN JEWISH-CHRISTIAN DIALOGUE* Vivian Anne Scarnati Scott, 2025-02-11 A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi'im Prophets 32:27 The thought provoking ageless question above from GOD also answers every age of humanity. Now in the third decade of our twenty-first Century, today's expanding communication marvels while accelerating to future enterprises often become mindfully absent of the Godly source driving their intellectual capacity. Jewish-Christian interreligious dialogue travels those same highways of mind, although at times hampered by prejudice, depravity and indifference. This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood-stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD. In recounting horrific facts from Holocaust, Inquisition and other atrocities marring the beautiful life GOD intended, these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes. And in consequence, GOD's omnipotence in rescuing His people is evidenced throughout history. Somehow evil never prevailed. The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time. Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom. Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches, Synagogues and homes. Still, while at times disharmony quells the joy of living, there is no greater force or wonder than Infinite GOD. Success in Jewish-Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non-discriminating heart. GOD's markers and signposts all lead to purposeful truth: the trilateral, pure, virtuous and charitable road is the only way beyond an otherwise dark, impious world into a luminous one, a realm where humanity may share joyful dialogue and divinely planned spiritual destiny. Ageless, immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for

interreligious dialogue Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U S Congress on March 21 1991 see Preface section on The Rainbow Covenant GOD s sacred scriptural truths proclaimed by His prophets are resounded by heavenly minded theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD

The Jewish-Christian Schism John Howard Yoder, 2008-11-12 Between 1971 and 1996 the late John Howard Yoder 1927 1997 wrote a series of ten essays revisiting the Jewish Christian schism in which he argued that properly understood Jesus did not reject Judaism Judaism did not reject Jesus and the Apostle Paul s

universal mandate for the salvation of the nations is best understood not as a product of Hellenization but rather in the context of his Jewish heritage This posthumous collection of essays is arguably his most ambitious project and displays Yoder's original thesis that the Jewish Christian schism did not have to be Originally published in 2003 by SCM Press and Eerdmans

**The Ethics of Evangelism** Elmer J Thiessen, 2014-08-08 This is a brief and accessible examination of the ethics of evangelism in a post Christian culture Thiessen discusses the immoral practices and attitudes that are sometimes associated with evangelism and then turns his insightful attention to a better way of approaching the subject Should we try to bring people to Christ or not In a multi cultural world evangelism is often under attack with those seeking to evangelise sometimes being branded arrogant ignorant hypocritical and meddlesome Against such a backdrop this unique book asks what sort of evangelism is ethical in a liberal post Christian society

**New Perspectives on Jewish-Christian Relations** Elisheva Carlebach, Jacob J. Schacter, 2011-11-25 The delicate balance between toleration and repulsion of the Jews a tiny minority living within the Christian world stands at the center of studies of religion and society The development of this difficult relationship on many levels theological institutional and individual is a matter of continuing relevance in religious history from ancient to contemporary contexts This volume written by the leading scholars of Jewish Christian engagement seeks to revisit the question in light of new sources and re readings of older sources The old view of two implacable enemies battling for their version of truth of Jews living as insular pariahs within a hostile world the tale of persecution by the mighty of the weak has given way to a much more nuanced understanding of areas of congruence of cultural economic and social interchange The volume examines changes in the Christian posture toward the Jews occurring in a time and place of tremendous cultural and religious creativity in Western European society It seeks to understand how Jews integrated elements of Christian culture into their own The volume spans some of the key turning points in the Jewish Christian relationship and re examines critical texts religious disputations and cultural interactions
