Diana The Last Year First Edition:

Moebius Library: The Major Jean "Moebius" Giraud, 2024-07-23 A psychedelic sequential romp created by legendary comics master M. Biuis between 1997 and 2009 following a production principle that embraced graphic spontaneity and improvisation. The lead character of this pseudo story, Major Grubert, evolves in a humorous yet philosophical manner, echoing how M. Biuis's creations are treated in the Inside M. Biuis series. Join the Major on his last trip to the nebula of The Airtight Garage where M. Biuis rules as the playful Trickster of legend. What begins as a comical jaunt into unusually profound philosophical questions regarding the nature of existence eventually winds up as a penetrating examination of the relationship between the author and his creation, the latter of whom must necessarily suffer at the heartless whim of his creator despite the Major's passionate desire for real life and even freedom beyond these comics. Translated by Diana Schutz with lettering by Adam Pruett. M. Biuis's playfully drawn main black and white story is augmented with nine color pages.

Angela's Glacier Jordan Scott, 2024-01-02 Award-winning author Jordan Scott's luminously illustrated love story of a girl growing up in the shadow of a glacier that's always there to listen. Angela listened to the glacier; the glacier listened to Angela. As soon as she's born, Angela's father introduces her to her glacier. He carries her on his back up the icy expanse as the wind makes music of the snow and the water underneath. Over time, Angela gets big enough to walk beside him and then to go alone. She tells her glacier everything and it answers. But then life gets busy. Angela's days fill up with school homework, violin, and soccer and friends. Until one day, Angela's heart doesn't sound right anymore. Luckily, Angela's dad is there to remind her what she needs: a visit to her ancient icy friend. From the Schneider Family and Boston Globe Horn Book Award-winning author of *I Talk Like a River*, *Angela's Glacier* is a moving story about growing up without losing yourself, loving nature, and allowing it to love you in return. Diana Sudyka's breathtaking artwork pulls the reader into a world of warm hugs from shining blue-green ice and from Dad too. An afterword from the real Angela highlights the tragic threat climate change poses to our planet's frozen marvels.
