

Die Brücke Von Istanbul

Ottmar Ette

Die Brücke Von Istanbul:

Das letzte Lebensjahr von Zrínyi Miklós (1663–1664) Harald Pöcher, Zrínyi Miklós wird heute als Held in Ungarn und Kroatien verehrt. Sein Leben lang kämpfte er für die Befreiung Ungarns von der osmanischen Knechtschaft. Sein letztes Lebensjahr 1663/64 wurde das Jahr seiner größten Triumphe aber auch seiner bittersten Niederlage. Das Buch gibt nicht nur einen tiefen Einblick in diesen Lebensabschnitt von Zrínyi Miklós sondern versucht auch das gesellschaftliche Leben im 17. Jahrhundert begreifbar zu machen. Ein Schwerpunkt bildet die Analyse der damaligen Streitkräfte in all ihren Facetten. In einem besonderen Kapitel lässt der Autor Zrínyi Miklós in einigen Dialogen mit namhaften Feldherren seiner Zeit selbst zu Wort kommen.

Writing-between-Worlds Ottmar Ette, 2016-02-22 This book proposes that there is no better no more complex way to access a community a society an era and its cultures than through literature. For millennia literature from a wide variety of geocultural areas has gathered knowledge about life about survival and about living together without either falling into discursive or disciplinary specializations or functioning as a regulatory mechanism for cultural knowledge. Literature is able to offer its readers knowledge through direct participation in the form of step by step intellectual and affective experiences. Through this ability it can reach and affect audiences across great spatial and temporal distances. Literature what different times and cultures have been able to understand as such in a broad sense has always been characterized by its transareal and transcultural origins and effects. It is the product of many logics and it teaches us to think polylogically rather than monologically. Literature is an experiment in living and living in a state of experimentation. About the author: Ottmar Ette has been Chair of Romance Literature at the University of Potsdam Germany since 1995. He is Honorary Member of the Modern Language Association of America (MLA) elected in 2014, member of the Berlin Brandenburg Academy of Sciences and Humanities elected in 2013 and regular member of the Academia Europaea since 2010.

Cultural Exchange in German Literature Eleoma Joshua, Robert Vilain, 2007 The influence of foreign cultures on German literature and other cultural productions since the 18th century. The Edinburgh German Yearbook is devoted to German Studies in an international context. It publishes original English and German language contributions on a wide range of topics from scholars around the world. Each volume is based on a single broad theme; the first includes papers from the highly successful conference 'Kennst du das Land: Cultural Exchange in German Literature' held in Edinburgh in December 2006, supplemented by additional essays. The conviction that German culture and the German spirit are triumphantly unique has played a notorious role in Germany's history. It is nonetheless acknowledged that German literature has been significantly influenced by non-German sources and the search for what is unique about Germany and German literature must incorporate an awareness of these. This volume provides a wide-ranging investigation into how German literature from the 18th century to the present day reflects interactions between German and non-German cultures. Alongside theoretical and historical reflections on the nature of cultural exchange, contributions explore literary reception, the boundaries of and movement

between cultures and Germany's literary political cultural and religious relations with both near neighbors and far flung cultural interlocutors Contributors Christian Moser Birgit Tautz Silvia Horsch Eleoma Joshua Gaudi Kristmannsson Sabine Wilke Daniela Krümer Jon Hughes Thomas Martinec Margaret Litter Lyn Marven Dirk Göttsche Susanne Kord Eleoma Joshua is Lecturer in German at Edinburgh University Robert Vilain is Professor of German and Comparative Literature at Royal Holloway University of London The journal's General Editor is Sarah Colvin Professor of German at Edinburgh University
