William John Meegan

Creation And The Second Coming:

Creation and the Second Coming Henry M. Morris, 1991 To understand the end you must understand the beginning God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return but before this event the Bible tells of a clear set of signs that will mark the final days The political upheaval in the Middle East the New Age movement and the call for a one world government were all foretold in God's Word The Bible's prophetic writers give key signs of the return of Christ and in this classic work from renowned author and creation scientist Dr Henry M Morris he reveals how each sign is an outgrowth of evolutionary humanism or pantheism [A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ](#) Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we'll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God's word will be neglected and twisted for self-serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible-based chronology the author examines where we are on God's timeline and more importantly why it's not too late to benefit from God's incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It's been intentionally hidden but specific windows of time highlight the latter days Celebrate God's imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord's return overtake us as a thief in the night **The Certainty of the Second Coming** Ernest Edward Zinke, 2000 The Second Coming of Jesus is the capstone of Scripture But how does it relate to other teachings of the Bible In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust but a reliable God we can love He shows that doctrine is not an end in itself but a means of understanding the One who is coming for us This is a full message book Foreword Introduction Is Christianity Christian The Authority of the Bible and the Certainty of the Second Coming Creation and the Certainty of the Second Coming Of Relative Truths and Redemptive Symbols The First Coming Prepares for the Second Coming Salvation and the Certainty of the Second Coming The Sanctuary and the Second Coming Such a Cloud of Witnesses and the Second Coming The Witness of the Remnant and the Second Coming Should Our Nineteenth Century Prophetic Schema Be Revised The Certainty of the Second Coming The Millennium the Destruction of the Wicked and the New Earth God Reveals His Righteousness **Creationism and the Conflict over Evolution** Tatha Wiley, 2009-01-01 How do our current notions of the workings of the universe fit with our deepest convictions about its meaning and value From religion we grasp the world as created given gift From science we apprehend it as evolving in process changing How do we bring these apprehensions

together Or can we Is our impulse to find the two complementary creation and evolution Or is it to find them contradictory creation or evolution The way in which we answer these questions carries personal and intellectual consequences It will constitute the first piece in a worldview within which we order our religious beliefs and scientific judgments from the Preface

five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does *Challenging Creation - 2nd Edition* , *Ecotheology in the Humanities* Melissa Brotton, 2016-05-20 This book is a collection of essays about the interaction between God humans and nature in the context of the environmental challenges and Biblical studies Chapters include topics on creation care and Sabbath sacramental approaches to earth care classical and medieval cosmologies ecotheodicy how we understand the problem of nonhuman suffering in a world controlled by a good God ecojustice and how humans help to alleviate nonhuman suffering The book seeks to provide a way to understand Judeo Christian perspectives on human to nonhuman interaction through Biblical literary cultural film and music studies and as such offers an interdisciplinary approach with emphasis on the humanities which provides a broader platform for ecotheology God's Ambiance William John Meegan, 2016-10-03 The MATRIX OF WISDOM is all about God's Ambiance residing in the soul of the individual This volume is about unraveling the deep mysteries of God esoterically codified into the world's sacred scriptures literature artworks monuments and architecture in all times and climes via the ESOTERIC SCIENCE i.e. the harmonious integration of the Seven Liberal Arts Quadrivium Four Mathematical Sciences and the Trivium Three Grammatical Arts that are the foundations of the ancient Mystery Schools The MATRIX OF WISDOM is a 10 x 10 matrix that is the original source material that wrote the sacred scriptures in all religious cultures around the world From the mystical depths of this 10 x 10 matrix China created the I Ching and the Tao te Ching Buddhism created their Stupas Hinduism and Christianity build their temples cathedrals and churches numerous cultures around the world built their pyramids based upon its schematics and the Native American Indians knew of it Astrology and the Game of Chess were developed from it and Pythagoras developed his mathematical theorems from it and Freemasonry is founded upon it and the city of Washington DC is built on its esoteric design and this latter is provided for in the United States Constitution Article 1 Section 8 however this matrix is never ever discussed explicitly to the general public Throughout this volume there will be a continuous tsunami of demonstrable evidence directly and indirectly challenging the status quo of academia and the orthodoxy of all religions around the world The WORD OF GOD will be discussed mainly from

the perspective of the Judaeo Christian Scriptures the secret teachings of the Roman Catholic Church's literature artwork monuments and architecture and Freemasonry symbolism designed into the landscape of Washington DC The MATRIX OF WISDOM spiritual waters of creation i.e. sum total or all knowledge is inherent in the psyche of every human being The MATRIX OF WISDOM is a commentary on the MONAD which is the soul's raison d'être i.e. God Man Christ Tao Krishna Buddha Horus etc When the soul comes into the world it splits into a two part psyche ego consciousness and the unconscious mind and this knowledge is esoterically codified into the mythoi of the Judaeo Christian Scriptures thus the sacred scriptures of the world are all about explaining to the worthy initiate the dynamics of the soul and its psyche The sacred scriptures are written first and foremost for the Born Again initiate though the average member of the laity has direct access to both its exoteric writings REVEALED and its secret esoteric teachings COVERED The inexplicable WORD OF GOD HIDDEN however cannot be explained to another in the vernacular The initiate can know of the ESOTERIC SCIENCE however that does not avail him or her of the true understanding of the WORD OF GOD Only God can communicate that unfathomable and inexplicable knowledge to the individual The ESOTERIC SCIENCE can somewhat prepare the worthy initiate for the spiritual Initiatic Visionary Experience which is gifted only to those that are worthy and truly DESIRE to know the WORD OF GOD The sacred scriptures around the world are written to explain the spiritual Initiatic Visionary Experience furthermore the sacred scriptures in their indigenous languages are the most scientific instruments on the face of the Earth though modernity will most likely dispute that fact ad nauseam
