

Sandie Holguín

Creating Spaniards

Culture and
National Identity
in Republican Spain

Creating Spaniards Creating Spaniards

Zhe Xu

Creating Spaniards Creating Spaniards:

Creating Spaniards Sandie Eleanor Holguin, 2002 *Creating Spaniards* is a cultural and intellectual history that explains the intersection of politics and culture and the formation of a national identity during Spain's Second Republic and Civil War. It counters recent scholarship claiming that leaders of the Second Republic had no programs for inventing traditions to encourage a Spanish national identity. Focusing on the Second Republic 1931-1936, Sandie Holguin illustrates how various intellectuals and politicians of the Republican Socialist coalition used theater, literature, and film to aid the construction of a unified Spanish culture and history. She uses memoirs, journals, newspapers, parliamentary debates, and archival sources in her examination of the impact that cultural reforms had on the transformation of one of Europe's oldest states. **Making**

Spaniards A. Quiroga, 2007-07-12 The regime of Primo de Rivera in Spain was one of the major dictatorships of the interwar period. *Making Spaniards* examines how the military regime created nationalist doctrine, rituals, and symbols, and how these were transmitted throughout Spanish society in an attempt to make new authoritarian Spaniards and halt democratic reform.

Making Subject(s) Allen Carey-Webb, 2014-04-04 Considering a wide range of cultural materials and engaging in a close reading of literary texts, this book draws a compelling comparison between national identity in Europe and the Third World. The author explores historical periods of nation building in Europe: Early Modernism and the postcolonial world post 1945 decolonization, to demonstrate that intriguingly similar circumstances of imperial rule, linguistic diversity, and educational systemization facilitated the emergence of national consciousness in both European and non-European countries. By bringing the insights of postcolonial studies to classic canonical dramas of Shakespeare and Lope de Vega, the author describes the impact of New World colonial encounters on Spanish and English national formation and self-conception. This book is the first to investigate the rich intertextuality of *El Nuevo Mundo* (Spain 1601) and *The Tempest* (England 1611). Turning to Ousmane Sembène and Salman Rushdie, perhaps the two most important postcolonial writers, this study shows how their finest novels write back to the European tradition of Lope and Shakespeare and simultaneously represent the trend of postcolonial literature from assertive anticolonial nationalism to postmodern national critique. Tracing developments in the study of nationalism and literature from Louis Althusser and Benedict Anderson through Frederic Jameson, Homi Bhabha, and Partha Chatterjee, the book's introduction serves as a lucid guide to a central problem in contemporary cultural studies for the general reader or the specialized scholar. Juxtaposing Renaissance etchings, traditional African and Indian sculpture, 19th-century political cartoons, and intriguing works of contemporary art, *Making Subject(s)* is of unusual interest and visual appeal.

Creating Community in Spanish California Sarah M. Ginn, 2009 ***The Spanish Presence in Sixteenth-Century Italy*** Piers Baker-Bates, Miles Pattenden, 2016-02-17 The sixteenth century was a critical period both for Spain's formation and for the imperial dominance of her Crown. Spanish monarchs ruled far and wide, spreading agents and culture across Europe and the wider world. Yet in Italy, they encountered another culture whose achievements were even prouder and whose aspirations

often even grander than their own Italians the nominally subaltern group did not readily accept Spanish dominance and exercised considerable agency over how imperial Spanish identity developed within their borders In the end Italians views sometimes even shaped how their Spanish colonizers eventually came to see themselves The essays collected here evaluate the broad range of contexts in which Spaniards were present in early modern Italy They consider diplomacy sanctity art politics and even popular verse Each essay excavates how Italians who came into contact with the Spanish crown s power perceived and interacted with the wider range of identities brought amongst them by its servants and subjects Together they demonstrate what influenced and what determined Italians responses to Spain they show Spanish Italy in its full transcultural glory and how its inhabitants projected its culture throughout the sixteenth century and beyond

Republicanism and Anticlerical Nationalism in Spain E. Sanabria,2009-03-30 This book analyzes attempts by radical Spanish republicans to construct an anticlerical nationalist vision of Spain focusing in particular on the the mass production by the anticlerical industry of newspapers novels poems cartoons posters postcards and plays put out by republican muckrakers journalists and politicians *The Spanish Anarchists of Northern Australia* Robert Mason,2018-10-15 The book is strongly aligned with a number of scholarly associations These include those dedicated to histories of the British Empire Latino a Studies Spain labour histories migration histories and Australian history The book has been written to appeal to multiple subject areas of international appeal that cover core areas of history syllabi throughout English speaking universities labour histories histories of the British world and Hispanic histories Although this book is firmly located in Australian history it has application beyond this area **Public Humanities and the Spanish Civil War** Alison Ribeiro de Menezes,Antonio Cazorla-Sánchez,Adrian Shubert,2018-12-12 This interdisciplinary collection of essays examines contemporary public history s engagement with the Spanish Civil War The chapters discuss the history and mission of the main institutional archives of the war contemporary and forensic archaeology of the conflict burial sites the affordances of digital culture in the sphere of war memory the teaching of the conflict in Spanish school curricula and the place of war memory within human rights initiatives Adopting a strongly comparative focus the authors argue for greater public visibility and more nuanced discussion of the Civil War s legacy positing a virtual museum as one means to foster dialogue

Preaching Spanish Nationalism Across the Hispanic Atlantic, 1759-1823 Scott Eastman,2012-01-16 Preaching Spanish Nationalism across the Hispanic Atlantic skillfully debates the prevailing view that the monolithic Catholic Church as the symbol of the ancien r gime subverted a secular progression toward nationalism and modernity It was Scott Eastman deftly contends the tenets of Roman Catholicism and the ideals of Enlightenment worked together to lay the basis for a mixed modernity within the territories of the Spanish monarchy Basque Nationalism and the Spanish State André Lecours,2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but Andr

Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state. His discussion employs one of the most debated approaches in the social sciences: historical institutionalism, and it includes an up-to-date examination of the circumstances for and consequences of recent events such as ETA's announcement in 2006 of a permanent cease-fire. Lecours also analyzes other aspects of Basque nationalism, including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism. Finally, the book offers a comparative discussion of Basque, Catalan, Scottish, Flemish, and Quebecois nationalist movements, suggesting that nationalism in the Basque Country, despite the historical presence of violence, is in many ways similar to nationalism in other industrialized democracies. *Basque Nationalism and the Spanish State* is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements.

Thank you very much for downloading **Creating Spaniards Creating Spaniards**. Maybe you have knowledge that, people have look hundreds times for their favorite novels like this Creating Spaniards Creating Spaniards, but end up in infectious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some infectious bugs inside their laptop.

Creating Spaniards Creating Spaniards Introduction

In the digital age, access to information has become easier than ever before. The ability to download Creating Spaniards Creating Spaniards has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creating Spaniards Creating Spaniards has opened up a world of possibilities. Downloading Creating Spaniards Creating Spaniards provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creating Spaniards Creating Spaniards has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creating Spaniards Creating Spaniards. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creating Spaniards Creating Spaniards. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creating Spaniards Creating Spaniards, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Creating Spaniards Creating Spaniards has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Creating Spaniards Creating Spaniards Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
