Crucible Vietnam Memoir Of An Infantry Lieutenant:

Crucible Vietnam A.T. Lawrence, 2014-11-26 This is the personal account of an army infantry platoon leader and commanding officer in the central highlands of Vietnam during 1967 and 1968 when he was 21 years old These were the two bloodiest years of the war a time when the U S army employed search and destroy missions with high casualty rates The author provides a historical overview and casualty report of the Vietnam War 15 information about his military and officer training and his return to civilian life after Vietnam *Dak To and the Border Battles of Vietnam, 1967-1968* Michael A.

Eggleston, 2017-02-06 In 1967 the North Vietnamese launched a series of offensives in the Central Highlands along the border with South Vietnam a strategic move intended to draw U S and South Vietnamese forces away from major cities before the Tet Offensive A series of bloody engagements known as the border battles followed with the principle action taking place at Dak To Drawing on the writings of key figures veterans memoirs and the author s records from two tours in Vietnam this book merges official history with the recollections of those who were there revealing previously unpublished details of these decisive battles **Exiting Vietnam** Michael A. Eggleston, 2014-04-04 Although the Paris Peace Accords ended direct United States military involvement in Vietnam on January 27 1973 the process of withdrawal lasted over three years This illuminating volume chronicles this withdrawal its background and its impact through a combination of official history and first person accounts from key players at every level Brief historical narratives join recollections from U S servicemen and support staff North and South Vietnamese soldiers and such notable figures as Henry Kissinger Alexander Haig and Richard Nixon to reveal the human story behind the history A biographical dictionary summarizes the lives of important individuals a glossary presents unusual terms and acronyms and an appendix analyzes the war casualties under each U S president *Vietnam War Slang* Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans

who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War *The Myths of Tet* Edwin Moïse,2017-11-21 Late in 1967 American officials and military officers pushed an optimistic view of the Vietnam War Military Assistance Command Vietnam MACV said that the war was being won and that Communist strength in South Vietnam was declining Then came the Tet Offensive of 1968 In its broadest and simplest outline the conventional wisdom about the offensive that it was a military defeat for the Communists but a political victory for them because it undermined support for the war in the United States is correct But much that has been written about the Tet Offensive has been misleading Edwin Mo se shows that the Communist campaign shocked the American public not because the American media exaggerated its success but because it was a bigger campaign larger in scale much longer in duration and resulting in more American casualties than most authors have acknowledged MACV led by General William Westmoreland issued regular estimates of enemy strength in South Vietnam During 1967 intelligence officers at MACV were increasingly required to issue low estimates to show that the war was being won Their underestimation of enemy strength was most extreme in January 1968 just before the Tet Offensive The weak Communist force depicted in MACV estimates would not have been capable of sustaining heavy combat month after month like they did in 1968 Mo se also explores the errors of the Communists using Vietnamese sources The first wave of Communist attacks at the end of January 1968 showed gross failures of coordination Communist policy throughout 1968 and into 1969 was wildly overoptimistic setting impossible goals for their forces While acknowledging the journalists and

historians who have correctly reported various parts of the story Mo se points out widespread misunderstandings in regard to the strength of Communist forces in Vietnam the disputes among American intelligence agencies over estimates of enemy strength the actual pattern of combat in 1968 the effects of Tet on American policy and the American media s coverage of all these issues The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell,2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators *Nam Raw* Staff of McFarland,2016-11-04 This special edition ebook is a collection of some of the best first person writing about combat in Vietnam available today Drawn from 24 full length memoirs and interviews all published by McFarland and available separately in complete editions these excerpts offer important gripping and provocative stories from men and women who were forever changed by their experiences in the war They represent the perspectives of Army infantry forward observers a journalist a combat bandsman Marines pilots and nurses Nam Raw includes excerpts from the following titles *The Hump Al Conetto Lullabies for Lieutenants Franklin Cox Mad Minutes and Vietnam Months Micheal Clodfelter Alone Unarmed and Unafraid Taylor Eubank Killer Kane Andrew R Finlayson Stained with the Mud of Khe Sanh Rodger Jacobs Scrappy Howard C Scrappy Johnson and Ian A O Connor Cammie Up Steven A Johnson Pucker Factor 10 James Joyce Crucible Vietnam A T Lawrence Ghosts and Shadows Phil Ball Eye of the Tiger John Edmund Delezen Vietnam Perkasié W D Ehrhart Rice Paddy Recon Andrew R Finlayson Quang Tri Cadence Jon Oplinger Vietnam War Nurses Patricia Rushton Runway Visions David Kirk Vaughan The Crouching Beast Frank Boccia Combat Bandsman Robert F Fischer Tail End Charlie Ronald John Jensen The Ghosts of Thua Thien John A Nesser Hornet 33 Ed Denny War Stories Conrad M Leighton Fighting Shadows in Vietnam Michael P Moynihan Jr Danger Close! Phil Gioia,2022-06-15 Phil Gioia grew up an army brat during the decades after World War II Drawn to the military he attended the Virginia Military Institute then was commissioned in the U S Army where he completed Jump School and Ranger School Not even a year after college graduation he landed in Vietnam in early 1968 in*

the first weeks of the Tet offensive which marked a major escalation of the war Leading a platoon in the 82nd Airborne Division Gioia took his paratroopers into the lifting of the siege of Hu where death was always just around the corner and the grisly discovery of mass graves of those executed by the Vietcong during their occupation of the city Wounded he was sent home in April Released from hospital he commanded a paratroop company in the 82nd Airborne in 1968 returning to Vietnam with the hard hitting First Air Cavalry Division a year later this time leading a rucksack company of light infantry Inserted into far flung landing zones Gioia and his men patrolled the jungles and rubber plantations along the Cambodian border looking for a furtive enemy who preferred ambushes to set piece battles and nighttime raids to daylight attacks Danger Close recounts the Vietnam War from the unique boots on the ground perspective of a young officer who served two tours in two different divisions He tells his story thoughtfully straightforwardly and always vividly from the raw emotions of unearthing massacred human beings to the terrors of fighting in the dark with red and green tracers slicing the air Hard to put down and hard to forget Danger Close will remind readers of the best Vietnam memoirs like Guns Up and Baptism

Hear the Bugles Calling Lionel Francis Pinn, Frank Sikora, 2007-01-01 Sergeant Lionel Chooch Pinn was an American warrior an Osage Indian whose career as an army sergeant met the high standards set by his father's example as a World War I veteran Reared in the crucible of the Great Depression and case hardened in hand to hand combat against the Imperial Japanese Army in WWII Pinn went on to fight as a foot soldier in Korea Laos and Vietnam Pinn recounts these wars as only an infantry soldier could His gritty account of fighting in distant corners of the world is a journey through America's tumultuous last half of the 20th century Sgt Pinn's memoir exciting horrifying upsetting is a testament to the uncompromising fighting spirit of U S soldiers
