Pederson, 2010 **Matthew Henry Daily Readings** Matthew Henry, 2009 Meet the Puritans Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you're serious about reading the Puritans or simply looking for a clear starting point this is the place to begin Matthew Henry Jong Hun Joo, 2017-03-31 Jong Hun Joo offers a model of how both solid biblical understanding and effective practice of worship can be realised in churches today by exploring the theology and practice of Matthew Henry 1662-1714 Matthew Henry is one of the most famous biblical commentators in the English speaking world He was however also a pastor who was liturgical in negotiating the political and religious landmines of his day This all but overlooked aspect of Henry's biography and writings is both a window into his life and times and an insightful view into the pastoral dimensions of Christian rituals and practices in the home and church Joo discerns how Henry understood and practised English Presbyterian worship as an example of Reformed worship in his context and suggests how contemporary churches can appropriately develop and articulate their own worship in their own contexts making the case for worship renewal **Unity in Diversity** Randall J. Pederson, 2014-08-14

Unity in Diversity presents a fresh appraisal of the vibrant and diverse culture of Stuart Puritanism provides a historiographical and historical survey of current issues within Puritanism critiques notions of Puritanisms which tend to fragment the phenomenon and introduces unitas within diversitas within three divergent Puritans John Downname Francis Rous and Tobias Crisp This study draws on insights from these three figures to propose that seventeenth century English Puritanism should be thought of both in terms of Familien hnlichkeit in which there are strong theological and social semblances across Puritans of divergent persuasions and in terms of the greater narrative of the Puritan Reformation which united Puritans in their quest to reform their church and society **Books Out-of-print** ,1981 **Forthcoming Books**
