Nihilism Now! K. Ansell-Pearson, D. Morgan, 2000-07-04 This volume aims to inspire a return to the energetics of Nietzsche's prose and the critical intensity of his approach to nihilism and to give back to the future its rightful futurity For too long contemporary thought has been dominated by a depressed what is to be done All is regarded to be in vain nothing is deemed real there is nothing new seen under the sun Such a postmodern lament is easily confounded with an apathetic reluctance to think engagedly Hence our contributors draw on the variety of topical issues the future of life the nature of life forms the techno sciences the body religion as a way of tackling the question of nihilism's pertinence to us now

Dancing Shadows Of Bali Angela Hobart, 2013-01-11 First published in 1987 This book began in Bali during 1970-72 during the author's Ph.D. research on the shadow theatre for the School of Oriental and African Studies in London However two subsequent trips to Bali in 1980 and 1984 when I studied other forms of dance drama and ritual greatly contributed to the work The shadow theatre in Bali is described and its place in the society and culture explored It is so called as during the night performance puppets cast vibrant shadows against a white cotton screen which is illuminated by a flickering coconut oil lamp

The Wide World Magazine, 1908 *Dead of Night* Victor J. Banis, 2010 Doctor he said before he said anything else I am haunted By ghosts His parents are brutally murdered in a Manson-like intrusion and Calvin narrowly escapes the same fate He spends time in an expensive private mental hospital but when he returns home he senses the presence of evil in the shadowy old mansion Someone seems to follow him along the halls and whispers just beyond his hearing Gradually the terror escalates A hand shakes him awake at night just as it did on that fatal night Cringing in his bed he hears his father being murdered all over again and then his mother But is the mansion haunted or is it Calvin

Unbury the Dead Laurel Hanlon, 2025-09-24 Imprisoned for centuries by his own vampire coven Phil emerges into a world he barely recognizes His old ways turn dangerous as he attracts the attention of the police and his vengeful old coven Just when things get worse he's rescued by a ghost from his past Olivia grew up on vampire literature which left a huge impact on her opinion of how they should behave When she finally finds her Prince Charming he was not what she pictured confused and rough around the edges Phil is now stuck in a world he doesn't understand on the run with a woman that's obsessed with the myths of his kind while Olivia rethinks everything she thought she knew about monsters and love This tale of redemption

The Whispering Dead David Mark, 2022-12-06 The past comes back to haunt MI6 secret agent Cordelia Hemlock in this spy thriller from Sunday Times bestselling author David Mark Top level espionage fiction Booklist Starred Review Cordelia Hemlock is teetering on the verge of joining MI6 when she meets the enigmatic Walt a high ranking member of the Secret Intelligence Service who tells her They won't want you to do well They won't ever trust you They don't trust me and I'm one of them She takes this as a challenge rather than a warning She wants to protect the nation Serve Queen and country Who would turn down such a glorious opportunity Fourteen years later Cordelia is desk bound after finishing an undercover operation and going quietly mad with boredom So when the call comes through on the top secret Pandora line so called after the locked box the telephone is kept in she answers it It's Walt No longer officially MI6 he still inhabits the murky world of intelligence where information always comes with a price He tells her he has a secret to share with her and only her And once she knows it nothing will ever be the same again A follow up to the critically acclaimed psychological thriller *The Mausoleum* this is a twisty page turning tale of friendship and divided loyalties set against the dark forbidding landscape of the rural Borderlands

Dead Man's Rock Sir Arthur Thomas Quiller-Couch, 2020-09-28 Whatever claims this story may have upon the notice of the world they will rest on no niceties of style or aptness of illustration It is a plain tale plainly told nor as I conceive does its native horror need any ingenious embellishment There are many books that I thought a man of no great erudition can remember which gain much of interest from the pertinent and appropriate comments with which the writer has seen fit to illustrate any striking situation From such books an observing man may often draw the exactest rules for the regulation of life and conduct and their authors may therefore be esteemed public benefactors Among these I Jasper Trenoweth can claim no place yet I venture to think my history will not altogether lack interest and this for two reasons It deals with the last chapter I pray Heaven it be the last in the adventures of a very remarkable gem none other in fact than the Great Ruby of Ceylon and it lifts at least in part the veil which for some years has hidden a certain mystery of the sea For the moral it must be sought by the reader himself in the following pages To make all clear I must go back half a century and begin with the strange and unaccountable Will made in the year of Grace 1837 by my grandfather Amos Trenoweth of Lantrig in the County of Cornwall The old farm house of Lantrig heritage and home of the Trenoweths as far as tradition can reach and Heaven knows how much longer stands some few miles N W of the Lizard facing the Atlantic gales from behind a scanty veil of tamarisks on Pedn glas the northern point of a small sandy cove much haunted of old by smugglers but now left to the peaceful boats of the Polkimbra fishermen In my grandfather's time however if tales be true Ready Money Cove saw many a midnight cargo run and many a prize of cognac and lace found its way to the cellars and store room of Lantrig Nay there is a story but for its truth I will not vouch of a struggle between my grandfather's lugger the *Pride of Heart* and a certain Revenue cutter and of an unowned shot that found a Preventive Officer's heart But the whole tale remains to this day full of mystery nor would I mention it save that it may be held to throw some light on my grandfather's sudden disappearance no

long time after Whither he went none clearly knew Folks said to fight the French but when he returned suddenly some twenty years later he said little about sea fights or indeed on any other subject nor did many care to question him for he came back a stern taciturn man apparently with no great wealth but also without seeming to want for much and at any rate indisposed to take the world into his confidence His father had died meanwhile so he quietly assumed the mastership at Lantrig nursed his failing mother tenderly until her death and then married one of the Triggs of Mullyon of whom was born my father Ezekiel Trenoweth *Over My Dead Body* Jim Briginshaw, 2008 Winner 2008 IP Picks Best Fiction Award

Marked by the events of the Great Flood of 1893 and the formation of the first miners unions *Over My Dead Body* is an Australian epic a literary feat exemplifying a writers craftsmanship and dedication to bringing history alive The book puts Australias current resource driven prosperity into context by showing the day to day struggles of ordinary workers just trying to get by With panoramic themes reminiscent of Lawrences *Sons and Lovers* this thoroughly researched award winning retrospective will certainly remind its readers of the important place unions have earned in todays society
