Deliberation Democracy And Civic Forums Improving Equality And Publicity:

Deliberation, Democracy, and Civic Forums Christopher F. Karpowitz, Chad Raphael, 2014-11-13 This book focuses on how to improve equal and public participation in a range of innovative citizen forums that could revitalize democracy around the world

Deliberation, Democracy, and Civic Forums Christopher F. Karpowitz, Chad Raphael, 2014-11-13 Innovative forums that integrate citizen deliberation into policy making are revitalizing democracy in many places around the world Yet controversy abounds over whether these forums ought to be seen as authentic sources of public opinion and how they should fit with existing political institutions How can civic forums include less powerful citizens and ensure that their perspectives are heard on equal terms with more privileged citizens officials and policy experts How can these fragile institutions communicate citizens policy preferences effectively and legitimately to the rest of the political system **Deliberation Democracy and Civic Forums** proposes creative solutions for improving equality and publicity which are grounded in new theories about democratic deliberation a careful review of research and practice in the field and several original studies This book speaks to scholars practitioners and sponsors of civic engagement public management and consultation and deliberative and participatory democracy

Deliberation with Chinese Characteristics Su Yun Woo, 2023-03-10 Woo investigates examples of the Chinese government using methods normally associated with deliberative democracy to involve their citizenry in decision making at a sub national level Despite the tightening of civil society under Xi there are still some opportunities for the Chinese people to articulate their opinions and participate in decision making The proliferation of deliberative democratic practices is motivated by the Communist Party of China's CCP strong governance logic to strengthen regime legitimacy and stability Woo examines deliberative participation through the lens of participatory budgeting in China and investigates its impact on local governance To make sense of this model of deliberative democratic governance in China she unpacks the relationship between deliberative democracy and governance This requires delving into the forms and functions of deliberation with Chinese characteristics especially to show how they depart from the Western deliberative democratic experiences What is the Chinese deliberative discourse in relation to the Western conception of deliberative democracy How can the Chinese deliberative experience contribute to the concept of deliberative governance How does deliberation impact upon local governance in China An intriguing read both for scholars of Chinese politics and for political scientists looking at comparative examples of deliberative governance

Public Deliberation in the Digital Age Emilien Paulis, Raphaël Kies, Alina Östling, 2025-11-12 This book provides a comprehensive examination of how digital platforms shape deliberative processes and democratic engagement combining theoretical insights with empirical evidence It draws on typologies conceptual models case studies comparative analyses and ethical reflections to assess how digital tools can support or undermine the legitimacy of deliberative procedures and wider democratic participation This book focuses on initiatives by public institutions to involve citizens in areas such as climate governance youth engagement public service

media party politics and AI mediated dialogue Using the input throughput output legitimacy framework it systematically explores how digital platforms influence who participates how they engage and how these processes connect to the broader public and contribute to policy outcomes In doing so this book equips readers to critically navigate the evolving landscape of participatory and deliberative practices amid rapid digital transformation This book is essential reading for scholars students and practitioners interested in the use of digital technologies for participatory and deliberative purposes and more broadly in political communication democratic innovation media studies party politics and the social sciences

Civic Pedagogies: Teaching Civic Engagement in an Era of Divisive Politics Lauren C. Bell, Allison Rank, Carah Ong Whaley, 2024 This book comes at a crucial time as the USA and countries around the world wrestle with an ongoing period of democratic backsliding that shows little sign of abating Alarmingly study after study shows that younger people are not convinced that democracy will endure and that a sizable number are no longer convinced that it should Especially as changing educational and political landscapes make efforts to educate for democracy both more necessary and more fraught contributors to this book offer innovative pedagogies and praxis grounded in political and civic theories aimed at strengthening democratic norms practices and institutions

Handbook of Innovations in Political Psychology Ethan C. Busby, Christopher F. Karpowitz, Cara J. Wong, 2025-03-12 In this interdisciplinary Handbook editors Ethan C Busby Christopher F Karpowitz and Cara J Wong explore not just what political psychology is but what it could be In so doing they and the chapter authors examine and expand political psychology's scope and relevance Bringing together a diverse array of authors to examine both core topics and emerging themes they combine foundational insights with fresh perspectives to consider what innovations exist and are needed in the field of political psychology

The Oxford Handbook of Deliberative Democracy André Bächtiger, John S. Dryzek, Jane Mansbridge, Mark E. Warren, 2018-08-30 Deliberative democracy has been one of the main games in contemporary political theory for two decades growing enormously in size and importance in political science and many other disciplines The Oxford Handbook of Deliberative Democracy takes stock of deliberative democracy as a research field in philosophy in various research programmes in the social sciences and law and in political practice around the globe It provides a concise history of deliberative ideals in political thought and discusses their philosophical origins The Handbook locates deliberation in political systems with different spaces publics and venues including parliaments courts governance networks protests mini publics old and new media and everyday talk It engages with practical applications mapping deliberation as a reform movement and as a device for conflict resolution documenting the practice and study of deliberative democracy around the world and in global governance

Deliberation Naturalized Ana Tanasoca, 2020-08-13 Democratic theory's deliberative turn has hit a dead end It is unable to find a good way to scale up its small scale formally organized deliberative mini publics to embrace the entire community Some turn to deliberative systems for a way out but none have found in that a credible way of deliberatively involving the citizenry at large *Deliberation Naturalized* offers an alternative

way out one we have been using all along The key sites of democratic deliberation are citizens everyday political conversations networked across the community Informal networked deliberation is how all citizens actually deliberate together directly or indirectly That is how public opinion emerges in civil society Networked deliberation satisfies the classic deliberative desiderata of inclusion equality and reciprocity albeit differently than standard mini publics Reconceptualizing democratic deliberation in those terms highlights some real threats to the networked mode of deliberative democracy such as polarization message repetition and pluralistic ignorance Deliberation Naturalized assesses the extent of each of those threats and proposes ways of protecting real existing deliberative democracy against them By focusing on the mechanisms underpinning everyday democratic deliberation among ordinary citizens Deliberation Naturalized offers a truly novel approach to deliberative democracy *Deliberative Democracy in Taiwan* Mei-Fang Fan,2020-11-19 This book is a pioneering analysis of the deliberative systems approach in Taiwan extending an understanding of Taiwanese democratic politics and consolidating links between theoretical development and a practical application of deliberative practices As a front runner of new democracies in Asia and a relatively open society Taiwan provides a model for deliberative governance with a view towards institutional innovation and increasing democratisation This book considers how components within the intricate web of micro and macro deliberative systems perform different functions complement each other and contribute both to policy change and democratic innovation Specific cases are provided such as participatory budgeting in Taipei City and the government academia alliance model to demonstrate the long term systemic effects of mini publics and citizen actions In addition the book proposes the possibility of deliberative democracy for other countries in the world alongside various policy issues including mini publics e participation co governance citizen science negotiation mechanisms and the deliberative practices of indigenous peoples *Deliberative Democracy in Taiwan* will appeal to students and scholars of East Asian studies Taiwanese politics political science and social movement studies **Handbook of Communication and Development** Melkote, Srinivas R.,Singhal, Arvind,2021-08-27 This incisive Handbook critically examines the role and place of media and communication in development and social change reflecting a vision for change anchored in values of social justice Outlining the genealogy and history of the field it then investigates the possible new directions and objectives in the area Key conclusions include an enhanced role for development communication in participatory development active agency of stakeholders of development programs and the operationalization of social justice in development
