

"Sexy and twisted and masterfully written."
—Julia Sykes, USA Today Bestselling Author

HER:

The first day of my captivity was like being born... or dying. They're both kind of the same thing with the long tunnel and the bright light at the end. Maybe it wasn't like either, actually. Maybe I'm remembering it wrong because for me that day all there was was darkness.

HIM:

Today I found something beautiful and decided to break it. I wanted to see it shatter in my hand and crumble at my feet. Her name is Emily Vargas. She's bright and educated and stunning. Articulate. She'll want someone to talk to her.

KITTY THOMAS is the author of the bestselling **COMFORT FOOD**, published in early 2010, considered the **Original Dark Romance** book. She writes dark stories that play with power and have unconventional HEAs. She also writes some quirky and some dark paranormal romance.

"Grabs hold of you from the first paragraph and never lets go."

Comfort Food originally published in 2010 the OG dark romance novel The Game Maker and Big Sky Comfort Food
HER The first day of my captivity was like being born or dying They're both kind of the same thing with the long tunnel and the bright light at the end Maybe it wasn't like either actually Maybe I'm remembering it wrong because for me that day all there was was darkness HIM Today I found something beautiful and decided to break it I wanted to see it shatter in my hand and crumble at my feet Her name is Emily Vargas She's bright and educated and stunning Articulate She'll want someone to talk to her The Game Maker I was too isolated I was about to be evicted I made a final desperate call to the man who ruined my life but he didn't come for me Someone else did And then there was Seven When I first woke in the cell I thought he was my captor but he is a pawn like me Seven is beautiful and kind I want him so much I can barely breathe He wants to protect me from our captor but he can't We are both locked inside a game neither of us can ever hope to win and even though it's wrong I'm starting to want both men not just the good one the monster as well Big Sky Veronica Cason lives in a small apartment with no clear view of the sky It's uncertain which might crush her first her debt or the buildings squeezed in so tight that they surround her like ominous sentinels She can't breathe in the city Her success is a lie and her debt is coming to collect her unless someone else gets there first When a stranger offers her a job at a ranch it feels like salvation but it could also mean her death if his motives aren't pure Which door has the tiger behind it The claustrophobia of the city or ranch life under an open sky

Comfort Food Kitty Thomas, 2010-10 Emily Vargas has been taken captive As part of his conditioning methods her captor refuses to speak to her knowing how much she craves human contact He's far too beautiful to be a monster Her attraction to him and his lack of violence has her walking a fine line at the edge of sanity Comfort Food explores what happens when all expectations of pleasure and pain are turned upside down As whips become comfort and chicken soup becomes punishment Cover

Tender Mercies Kitty Thomas, 2011-05-06 Grace That word that finally meant something again Mercy Favor Good will Fed up with play kink Grace Warner moves to an island that embraces erotic slavery to be with a man she met online Within hours of her arrival everything is ripped from her and she quickly learns play is preferable to the realities of actual enslavement Asher Collins has spent the past year mourning and blaming himself for the death of his slave Darcy When Grace catches his eye at a showing obviously abused he becomes obsessed with buying her and finding a way to atone for his own past sins What Readers are Saying about Tender Mercies I discovered Kitty Thomas last year with her novel Comfort Food I likened that erotica novel about extreme Stockholm syndrome to literary wasabi sinus clearing and somewhat unsettling but also incredibly breathtakingly powerful So I went into Tender Mercies excitedly knowing that Kitty Thomas writes at the extreme end of the erotica scale She intrudes upon reader's comfort zones and pulls you kicking and screaming into an abrasive and compelling world of fetishism and erotica Dee18 I've first read Comfort Food

by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre So far I've read around 26 genre books by different authors and can honestly say that Kitty Thomas is one of the best Her stories feel real in a psychological kind of way the events recounted could be really traumatizing but they are set in environments that keep the reader safe The heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations Lenanena I recommend it to adults particularly those interested in aspects of BDSM Carocar Tender Mercies is the type of psychological dark erotica BDSM book that will leave readers who enjoy this type of literary fiction in awe at the brilliance of Kitty Thomas writing and concepts I said it after her last book and I'll say it again I don't know how she'll top this Among the Muses I can't believe I have put off reading a Kitty Thomas book for so long I thought oh I've read dark erotica this won't be too shocking for me but I was definitely surprised just how dark this book was Some scenes definitely caused my stomach to churn and the writing reaches a deeper psychological level than other dark books I've read R Nicole Kitty Thomas is such a wonderful writer her take on dark erotica is wonderful and refreshing It's harsh and raw please use caution if you are not used to dark erotica Mel So my favorite BDSM theme is where the submissive is abused mistreated by a former Dom Master and is healing and learning to trust a new Dom This one fits the theme perfectly From the first few pages I was hooked and flew right through the rest of it I love everything I've read by Thomas and this is no exception Mrs thj The story is beautiful and I love the characters While the book is essentially dark erotica and non consensual bdsm Kitty Thomas still manages to create a beautiful romance between master and slave lunaselene Wow This book was well written intelligent dialogue graphic without being raunchy I enjoyed the story and it was my second BDSM book Kitty Thomas has mad skills as a writer and I look forward to reading her other books Maxine Holmes As I mentioned earlier I am in awe of Kitty Thomas storytelling abilities I was deeply caught up in the psychological conditioning in her novel Comfort Food and was titillated by the kinky sexual training in Guilty Pleasures But the plot twists and multi layered characters in Tender Mercies have made this book another one of my favorites AsianCocoa I first became aware of Kitty Thomas's work with Comfort Food a book I can honestly say I will never forget While Kitty writes about subject matter that not everyone is comfortable with she does so in a way that I find to be deft and almost lyrical Though her current published stories are contemporary she creates new worlds while drawing from very real elements of BDSM and total power exchange relationships Cari Quinn I didn't think anything could top Kitty Thomas's Comfort Food but boy was I wrong The minute I had Tender Mercies downloaded to my Kindle I itched to read it Had it not been for the fact I was deep in addiction with my last read I could have easily ditched it like I have so many others in favour of what is fast becoming an obsession with Thomas's writing style and her darkly psychological emotional take on the world of BDSM J Valentino I'm always skeptical about erotic novels I don't want to read it and be disappointed at how quickly the author can push through the build up of characters backstory plot and emotions just to get to the seemingly good stuff With that said I want to read more of Ms Thomas's work

because it did everything but that I was hooked within the first few sentences and continued to read it straight through in one sitting after a break or two for snacks that is Renee this book was great in that it didn't hide the fact that BDSM relationships sometimes are dangerous and abusive I liked the realism too Kitty Thomas is the queen of darker reads and I love her for it Tender Mercies didn't disappoint at all If you like the darker reads you will enjoy Kitty Thomas and her books Lisa C One very good reason not to trust strange men you meet on the Internet A dark story about the darker side of BDSM Joy Pelloquin Kitty Thomas writes darkly erotic novels that are not easily forgotten Tender Mercies is no exception Her psychologically disturbing yet erotic stories take the reader on a journey of submission and trust as a way to fulfillment Comfort Food Guilty Pleasures and Tender Mercies all explore the slave master dynamic but she manages to make the story different and intriguing each time Her stories are well crafted and even though the scenarios are fantastical in a kinky masochistic sense I don't have any trouble falling right into her stories and becoming fully vested in the characters and their experiences I am slightly disturbed by how much I enjoy her books as if something this dark should not be enjoyed but I do Very much Loves FAB Romance about building trust and showcase that dominance and submission is a game between lovers and not about abuse Booklover101 What Authors are Saying about Tender Mercies Kitty Thomas's hottest book yet emotionally gripping and painfully real impossible to read and remain untouched Annabel Joseph author of Owning Wednesday Tender Mercies is a heart rending tale that proves Prince Charming doesn't always come charging in with a white steed Sometimes it's just a piece of paper and a platinum collar Claudia D Christian author of Devil's Descent II Impure I have never been more invested in a piece of fiction in my life Kitty Thomas writes with a passion and purpose so pure she makes her readers live and breathe every word Emma Petersen author of Reign of Pleasure An eerie and disturbing story tempered with compassion and love I couldn't put it down Fallon Blake author of Wrapped Around Your Finger Intense and dark Tender and sweet Nattie Jones author of The Street Urchin More dark literary erotica by Kitty Thomas Dark Erotic Novels Comfort Food Guilty Pleasures The Last Girl Submissive Fairy Tales latest release anthology of The Auction Awakening and The King's Pleasure Big Sky Mafia Captive Blood Mate Erotic Novellas The Auction Awakening The King's Pleasure Note This work is not 50 Shades of Grey however if you enjoy work like 50 Shades of Grey you may also enjoy Kitty Thomas dark erotica If you like Kitty Thomas consider trying some of these other great authors CJ Roberts Tiffany Reisz Annabel Joseph Pepper Winters Anna Zaires Aleatha Romig Skye Warren Cherise Sinclair Kitty writes dark literary erotica usually with a kinkymaster slave theme and a hint of bdsm and captive erotica elements *Comfort Food* Kitty Thomas,2023
