Cartoonists, Works, and Characters in the United States through 2005 John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work Author John Lent has used all manner of methods to gather the citations searching library and online databases contacting scholars and other professionals attending conferences and festivals and scanning hundreds of periodicals He has gone to great length to categorize the citations in an

easy to use scholarly fashion and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series covering all regions of the world constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc. from all over the world. Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines, press articles, and fugitive materials, conference papers, unpublished documents, etc., attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art.

Luann: Dating Disasters 101 Greg Evans, 2012-12-18. In *Dating Disasters 101*, this book originally gathers strips from the popular cartoon strip *Luann*. Still pining for Aaron Hill, Luann accidentally agrees to a date with the reclusive, slightly socially inept Gunther. Through his non-violent resolution with two bullies at a miniature golf course, Gunther endears himself to Luann, who ends the date with a peck on Gunther's cheek. But Luann isn't the only one thrown into a romantic mishap; her brother Brad proves opposites attract when he begins dating the cultured and intelligent Diane. Double dates and uncomfortable father-son talks ensue as the siblings grapple with their new, confusing romantic relationships. Featuring funny and revealing behind-the-scenes commentary by creator Greg Evans, readers of all ages love *Luann*, a strip about the trials of becoming a young adult. Known for its rich characters and intriguing what will happen next storylines, *Luann* enjoys a reader loyalty rare on the comic page, consistently ranking among the top five in reader surveys. Greg Evans was voted Outstanding Cartoonist of the Year in 2003 by the National Cartoonists Society, partly for his efforts in holding up *Luann* as a fine example of the positive power comic strips can have. My aim is to touch readers' hearts as well as their funny bones, says Evans, who's humorously touched on serious issues such as peer pressure, drugs, alcohol, and young love.
