Shaping the Journey Daniel Ethan Harris, 2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement Shaping the Journey brings John Wesley

and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation *Seeking Spiritual Intimacy* Glenn E. Myers,2011-03-28 In *Seeking Spiritual Intimacy* Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of a continent *Coming to God* William F. Kraft,2015-04-15 Most academic and therapeutic programs do not include spirituality and God as essential components of health and treatment Dr William Kraft gives God a principal place in the house of psychology He shows how and why God experiences are paramount in helping us live a healthy and happy life He describes and analyzes what are healthy and unhealthy experiences of God and how activities including religion can help and hinder our coming to God In short this book is about how and why we come or do not come to God and what difference it makes **Hope in the Wilderness** Noel Forlini Burt,2022-11-22 Behold I will allure her and bring her into the wilderness and speak to her heart Hos 2 14 Hope in the Wilderness urges you to consider that your wilderness experiences places where you suffer deeply places where you can t find or feel God anymore places of transition and upending of the life you used to know are the very places where God speaks to your heart As Noel Forlini Burt invites you into her own season of wilderness wandering she enfolds the story of biblical characters who also wandered in wilderness gently beckoning you to open yourself to the heart of God in your own story Not merely a book to read Hope in the Wilderness beckons you to lament your losses honestly to be allured by the God who loves you and to discover hope in the midst of your own wilderness **Contemplative Prayer at Work in Our Lives** Geoff Colvin,2021-05-24 While many practicing Christians are relatively satisfied with their prayer life others are not The latter often find their prayer practice has dried up Their traditional forms of prayer at churches have become routine and empty In a very real sense there is a void in their spiritual lives They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer In *Contemplative Prayer at Work in Our Lives* Geoff Colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being This book offers Christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with
