Coming Out Straight:

Coming Out Straight Richard Cohen, 2016-06-02 *Coming Out Straight* details author Richard Cohen's personal journey out of homosexuality and also recounts his experiences over the past 25 years helping thousands of men and women resolve their unwanted same sex attraction and fulfill their heterosexual potential. This book is engrossing, illuminating, and for many, an answer to prayer. *Coming Out Straight* Frank "Cubed" Hernandez, Thanks to the 1 most trusted dating app, a man and woman fall in love in a world where babies are bred in backpacks, unicorns roam the range, and being straight is not only illegal but considered the most yucky of sin. *Coming Out Straight* Richard Cohen, 2006-02 Everyone knows someone with a homosexual orientation: a neighbor, co-worker, relative, or friend. *Coming Out Straight* sheds light on a long misunderstood subject. Questions such as what causes same sex attractions and how one can transition from gay to straight are addressed. Illustrated by those who successfully transitioned, this book is engrossing, illuminating, and for many, an answer to their prayers. Although it may create controversy, it is destined to heal many lives: a loved one or maybe yours. *Coming Out Straight* Richard Cohen, M.A., Richard Cohen M.A., 2016-06-02 **SOMEONE YOU KNOW NEEDS THIS BOOK** Everyone knows someone with a homosexual orientation: a neighbor, co-worker, relative, or friend. *Coming Out Straight* sheds light on a long misunderstood subject. Questions such as what causes same sex attraction and how one can transition from gay to straight are addressed. Illustrated by those who successfully transitioned, this book is engrossing, illuminating, and for many, an answer to prayer. Although it may create controversy, it is destined to heal many lives: a loved one or maybe yours. Richard Cohen, a former homosexual now married to his wife with three children, struggled for many years with unwanted same sex attraction. He tried desperately to find professionals who understood his condition and help him heal. Because it was so difficult to explain myself to therapists who didn't have a clue, Cohen eventually became a psychotherapist and developed a groundbreaking understanding of same sex attraction and a comprehensive plan for healing. *Coming Out Straight* not only details Cohen's personal journey out of homosexuality but also recounts his experiences over the past 25 years helping thousands of men and women resolve their unwanted same sex attraction and fulfill their heterosexual potential. Richard Cohen shares his compelling personal story in which he journeys from homosexuality to a new life as husband and father. The transition has offered him valuable insights into the nature and healing of same sex attractions. Joseph Nicolosi, Ph.D., Author, *Reparative Therapy of Male Homosexuality*. This book is a testament to a heroic and successful struggle to regain one's heterosexual identity. It gives hope to many. Charles Socarides, M.D., Author, *Homosexuality: A Freedom Too Far*. In his self-help book, ex-gay therapist Cohen writes for gays and lesbians who want to transition to heterosexuality. His comprehensive, well-written, well-organized, and heavily referenced guide views homosexuality as a symptom of disrupted affiliation with the same sex parent and incomplete feelings of maleness/femaleness, building on the psychological theories of Joseph Nicolosi and Elizabeth Moberly. *Library Journal*, Volume 126, No. 12, July 2001. **Coming Out Straight** International Healing Foundation,

Incorporated,2000-01-01 **Coming Out Straight** Richard A. Cohen,2001-09 The author a former homosexual now married with three children struggled for most of his life with unwanted same sex attractions He was not able to locate professional help since there was little understanding of his condition He eventually became a psychotherapist and in the process of healing himself developed both a ground breaking understanding of same sex attractions and a comprehensive treatment plan for healing homosexuality that has worked for thousands of men and women In simple language the book presents the basic causes of same sex attractions a clear model for recovery and stories of individuals who have made the change In three parts the author shares his own story and the root causes of homosexuality a four stage plan for healing and recovery and the healing of homophobia Copyright Libri GmbH All rights reserved *Let's Get This Straight* Tina Fakhriddien,2010-09-28 Let's Get This Straight reaches out to young people with one or more gay lesbian bi or trans parents to provide them with the tools to combat homophobia take pride in their alternative family structures and speak out against injustice This short but thorough book profiles forty five diverse youth and young adults all of whom voice their opinions and provide advice for other youth living in LGBTQ households Let's Get This Straight also includes probing questions fun activities engaging quizzes and reflective journal sections for youth to share their feelings and experiences about having a gay parent By reading this book readers will learn how to identify and overcome barriers to having a gay parent address discrimination and heterosexism build a strong self esteem and sense of belonging communicate effectively with their parents and individuals outside of the LGBTQ community access resources and support for their families respond effectively when challenged about being in a sexual minority family and reduce the isolation fear shame and confusion that can be associated with having gay parents As the media brings ever increasing exposure to gay headed households this book is more important than ever Let's Get This Straight is the perfect blend of wit sharing of experiences and expert advice that children with LGBTQ parents need to become more self aware and affirming and to maintain healthy relationships with their parents **Anything But Straight** Wayne R. Besen,2003 A historical perspective on the dispute examining ex gay groups such as Love in Action Exodus International Homosexuals Anonymous and profiling a cast of characters *Gay Children, Straight Parents* Richard Cohen,2009-11 HOPE AND HEALING FOR FAMILIES Out of his own experience and the experience of many of those he has served in his counseling practice Richard Cohen sets out a step by step plan that offers a path toward renewed family relationships grounded in love faith and mutual respect **STRAIGHT TALK** Meddy305,2021-08-01 In this book for parents we will take a look at what you should do when your child comes out about their sexual orientation or gender identity First and foremost don't panic As someone's parent it is natural that you would feel upset but remember how proud they will be feeling in the moment It really all boils down to one thing accept our children as who they say they are without question just like any other time something new has happened with them lost tooth first day of school The more accepting environment we create for our kids now means less self doubt later on in life leading to addiction issues such as

anxiety medication abuse or even suicide attempts if not properly addressed early on This is a tough situation for parents but it can be handled with love and acceptance Some tips to help are don t scream or shout get some tissues before you talk so that the child doesn t feel like they have to cry in front of an angry face make sure not to touch them without their permission first because this might scare them away from telling you anything else about themselves again The most important thing though Don t try too much at once take your time as things come up Your kid deserves understanding and patience
