The Jemima Code Toni Tipton-Martin, 2022-07-01 Winner James Beard Foundation Book Award 2016 Art of Eating Prize 2015 BCALA Outstanding Contribution to Publishing Citation Black Caucus of the American Library Association 2016 Women of African descent have contributed to America's food culture for centuries but their rich and varied involvement is still

overshadowed by the demeaning stereotype of an illiterate Aunt Jemima who cooked mostly by natural instinct To discover the true role of black women in the creation of American and especially southern cuisine Toni Tipton Martin has spent years amassing one of the world s largest private collections of cookbooks published by African American authors looking for evidence of their impact on American food families and communities and for ways we might use that knowledge to inspire community wellness of every kind The *Jemima Code* presents more than 150 black cookbooks that range from a rare 1827 house servant s manual the first book published by an African American in the trade to modern classics by authors such as Edna Lewis and Vertamae Grosvenor The books are arranged chronologically and illustrated with photos of their covers many also display selected interior pages including recipes Tipton Martin provides notes on the authors and their contributions and the significance of each book while her chapter introductions summarize the cultural history reflected in the books that follow These cookbooks offer firsthand evidence that African Americans cooked creative masterpieces from meager provisions educated young chefs operated food businesses and nourished the African American community through the long struggle for human rights The *Jemima Code* transforms America s most maligned kitchen servant into an inspirational and powerful model of culinary wisdom and cultural authority

Hoo-Doo Cowboys and Bronze Buckaroos Michael K. Johnson, 2014-01-08 *Hoo Doo Cowboys and Bronze Buckaroos* undertakes an interdisciplinary exploration of the African American West through close readings of texts from a variety of media This approach allows for both an in depth analysis of individual texts and a discussion of material often left out or underrepresented in studies focused only on traditional literary material The book engages heretofore unexamined writing by Rose Gordon who wrote for local Montana newspapers rather than for a national audience memoirs and letters of musicians performers and singers such as W C Handy and Taylor Gordon who lived in or wrote about touring the American West the novels and films of Oscar Micheaux black cast westerns starring Herb Jeffries largely unappreciated and unexamined episodes from the golden age of western television that feature African American actors film and television westerns that use science fiction settings to imagine a postracial or postsoul frontier Percival Everett s fiction addressing contemporary black western experience and movies as recent as Quentin Tarantino s *Django Unchained* Despite recent interest in the history of the African American West we know very little about how the African American past in the West has been depicted in a full range of imaginative forms *Hoo Doo Cowboys and Bronze Buckaroos* advances our discovery of how the African American West has been experienced imagined portrayed and performed

The Soul Food Museum Story Chef Kenneth Willhoite, 2018-08-20 In the 400 Year History of Soul Food and Hospitality Chef Dr Willhoite has left no stone unturned as he takes us on a colorful journey from the coasts of West Africa to the hills and valleys of America You will be educated enlightened enthused and empowered This book has raised the bar and laid a foundation that will allow the African American contributions to forever be inscribed in the pages of history

The Black Experience in America Jeff Wallenfeldt Manager, Geography and History, 2010-08-15 Chronicles the

history of African Americans the triumphs and tragedies from civil rights to the present The ^AOxford Companion to American Food and Drink Andrew F. Smith, 2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions *The Family in America* Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change
