Coming Undone Brown Siblings :

Coming Undone Lauren Dane, 2013 **Wild Darkness** Lauren Dane, 2013-11-05 Lauren Dane's breathtaking series comes to a thrilling conclusion as the heat of all-out war fans the fires of an otherworldly romance. The bombing that almost killed Owen witch Molly Ryan has worsened the tensions between the humans and the Others. While the Others desperately campaign to prevent the passage of a law that would strip their people of all rights, the human separatists develop an agenda far worse than anyone imagined. With her position more precarious than ever, security head Helena Jaansen finds herself relying more and more heavily on her personal guard Faine Leviathan, and despite her better instincts falling more deeply into the intimate connection that they share. As Helena and Faine's explosive passion grows, a deadly separatist plot is discovered, one that could mean ultimate destruction for the Others, and war breaks out between the two opposing factions. With the Others forced into hiding, Helena must overcome her fear of repeating past failures to save her people and her heart before it's too late.

Going Under Lauren Dane, 2013-02-05 Lauren Dane always delivers a steamy, exciting ride. New York Times bestselling author Larissa Ione and she does it again in her new novel of two lovers fighting for their lives against a rising threat and a passion that's just as dangerous. In the wake of the Magister's rampage, chaos rules. Left reeling, the Others and the humans scramble to create some sort of unity in the face of growing unrest and violence from anti-Other hate groups, and PR guru Molly Ryan is the witch who can do it. She grew up in the human world, but there's nothing left for her there. She's lost her PR firm and her friends, and now she's decided to put all her fight toward aiding the Others in this dark new reality. Gage Garrity, one of the few Others who survived the massacre, fears that the crusade will expose Molly to greater dangers than ever before. Now, together with magick on their side, Molly and Gage are on the road in a desperate struggle to unite a torn world. From state houses to television news to legislative conference rooms across the country, they're fighting the good fight. And it's bringing out a passion in both of them they never expected: one as volatile, intense, and all-consuming as their relentless battle for world unity. A battle that could be their undoing.

Hidden Star Corinne Joy Brown, 2016-03-01 Imagine awakening to a new reality of who you are revealing a hidden past that has shaped your family's history for centuries Fact not fiction this experience has been shared by thousands of descendants of Sephardic Jews who fled Spain and Portugal in the 15th and 16th centuries seeking safe haven from the ruthless Spanish Inquisition Many had already converted to Catholicism but learned that conversion was not enough to save their lives They established new communities throughout the world living as Catholics on the outside but guarding a precious Jewish heritage in secret an observance reduced over time to mere ritual and custom Meet a modern day member of New Mexico's northern Hispanic settlements who finds a new truth about herself and her family in the unexpected tumult of her life The disappearance of her two children leads her on an inner journey and an outer one into the past and toward a newly imagined future where she can finally choose how she wants to live and who she wants to be Hidden Star was inspired by the emergence of Spanish Catholics and Protestants in Mexico Texas and the American Southwest who believe they have Jewish roots Today many have thoughts of return or have already begun the process A work of fiction this book was inspired by interviews with actual descendants plus events that shaped this culture's history and suggests that in an era of religious freedom we're more alike than different whatever our heritage we want a better world www.corinnejoybrown.com
