Coming Home Floyd Cooper, 1994-09-13 Young Langston Hughes was a dreamer He dreamed about heroes like Booker T Washington who was black just like him When he heard the clackety clack of train wheels he dreamed about the places it had been But most of all he dreamed about having a happy home And so one day he began turning those dreams into beautiful prose As he did he discovered where his home really was in the words and rhythms of his poetry that reached people all over the world The beloved Langston Hughes comes to life in a book for poets dreamers children and adults anyone who has ever thought of what home means to them Teachers looking for a good way to introduce youngsters to this prominent poet will find this book to be an excellent accompaniment to his work School Library Journal Like Hughes poetry the power of Cooper s story is that it confronts sadness even as it transcends it Booklist His text is as inviting as his illustrations The New York Times Book Review
