Commentaries Jesus Christ John Calvin:

Commentaries on Jesus Christ John Calvin, Thomas Norton, 2014-06-16 John Calvin 10 July 1509 27 May 1564 was one of the most influential Christians of the last millennium An influential French theologian and pastor during the Protestant Reformation Calvin was a principal figure in the development of the system of Christian theology later named after him Calvin broke from the Roman Catholic Church around 1530 and after religious tensions provoked a violent uprising against Protestants in France Calvin fled to Switzerland where he published the first edition of his most famous work Institutes of the Christian Religion in 1536 In addition to the Institutes he wrote commentaries on most books of the Bible as well as theological treatises and confessional documents Calvin was influenced by the Augustinian tradition which led him to expound the doctrine of predestination and the absolute sovereignty of God in salvation of the human soul from death and eternal damnation These writings eventually led to Calvinism which continues to remain a branch of Christianity today

Calvin: Commentaries Jean Calvin, 1958-01-01 Extracts from Calvin s commentaries topically arranged [Commentary on Luke](#) John Calvin, 2013-01-25 For hundreds of years John Calvin s Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit s words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy **Jesus Christ and Creation in the Theology of John Calvin** Peter Wyatt, 1996-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers **Commentaries on the Catholic Epistles** Jean Calvin, 1855 [Calvin's Complete Commentary on the Bible](#) Calvin, John, All 46 of the original volumes are included in

this one volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history s greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s Commentaries which I extol in loftier terms than Helmich himself a Dutch divine 1551 1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2 3 John and Revelation were unfortunately not completed He did however write a two volume commentary of the Harmony of the Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians John Calvin John Calvin,1975-01-02 This volume presents texts selected from the full range of John Calvin s writings including excerpts from commentaries sermons letters catechisms tracts broad based theological works Calvin on the Death of Christ Paul A Hartog,2023-01-01 John Calvin s understanding of the extent of the atonement achieved in Christ s death is one of the most contested questions in historical theology In common thought Calvin s name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin s personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debateable In Calvin on the Death of Christ Paul Hartog re examines Calvin s

writing on the subject traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world These phrases must be held central if we are to discover Calvin s own view of the subject Hartog s conclusions will surprise some and may hold significant implications for the Calvinist tradition today Throughout however they are cogently articulated and sensitively pitched

John Calvin: Steward of God's Covenant John Calvin, 2006-02-14 This selection of the writings of John Calvin 1509-1564 is the first for general readers to appear in many years It showcases his powerful legacy which has had far reaching consequences for the development of religion and culture in Western Europe and in the shaping of American identity Calvin was a prodigious preacher and writer and his sermons Bible commentaries tracts and letters fill dozens of volumes The works chosen for John Calvin: Steward of God's Covenant highlight ideas central to the Reformation but also to his influence on modern life e.g. the importance of a work ethic and the notion of being called to action in the world his belief in universal education for boys and girls and his belief in the sanctity and freedom of individual conscience Calvin s theology of the elect of God motivated the English and Dutch Calvinists who settled the Atlantic seaboard their Promised Land The traditions of their communities and churches and laws produced the widespread present day American belief in a divinely favored national destiny In her brilliant preface to this edition Pulitzer Prize winning novelist Marilynne Robinson makes the clearest connection between John Calvin s own biblical and patristic heritage and the heritage he in turn left the modern world

John Calvin's Commentaries On The Gospel Of John Vol. 1 John Calvin, 2012 This is the extended and annotated edition including an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the New excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Commentaries On The Gospel Of John are numerous and some of them are written with great learning and ability Rarely has a separate and extended interpretation been given to any of the other three Gospels which are indeed so closely interwoven with each other that it is scarcely possible to expound one of them in a satisfactory manner without bringing the whole into one view comparing parallel passages accounting for apparent contradictions and supplying the omissions of each narrative to such an extent as to produce what shall be in substance though not always in form a HARMONY OF THE THREE EVANGELISTS The present Work brings under review some of the most intricate questions in theology and in handling them he is not more careful to learn all that has been revealed than to avoid unauthorized speculation They who know the difficulty of the path will the more highly appreciate so skillful a guide who advances with a firm step points out the bypaths which have misled the unwary conducts us to scenes which we had not previously explored and aids us in listening to a Divine voice which says This is the way walk ye in it This edition contains the commentaries on John 1-11
