Interpretative Expository Winter Quarter 2020 (Dec-Feb) Church Of God In Christ Publishing House,2020-12-02 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson

Prayer Mode Leah Cast,2025-04-29 God has gone to great lengths to pursue fellowship with his beloved sons and daughters He greatly desires for us to spend time with him in prayer However for many Christians prayer is a task completed on spiritual autopilot mode Too often in the busyness of life we might find ourselves going through the motions offering up a quick prayer before meals or bedtime without much thought toward the posture of our prayer lives But there is a mode to effective prayer and that is the topic explored throughout the pages of this book Prayer Mode The Posture of Effective Prayer will guide readers through an eight section Bible study designed to refresh their perspective on the mode in which scripture instructs believers to pray This book will help readers explore the importance of not just the words they pray but the heart posture motives and passion behind the words they pray Developed for individuals or small groups each topic includes engaging Bible teaching paired with a guide for corresponding personal study self reflection and group discussions

water to quench that thirst Too many church leaders do not know how to hear the voice of God and therefore cannot lead people to the living water By following the listing of the well in the Bible from Genesis to Revelation this book demonstrates that the church needs the living water the Wellspring of Life provides Each mention of the well is dealt with separately to show the significance of what is revealed there to prove how these Scriptures were specifically put in this order to provide a systematic study of the importance of the well to the church and to point out the mistakes people in the church make For instance with Hagar the fact that the well existed in the desert is first explored and then the fact that it had to be revealed for her to see it Many people live next to the Well but it has never been revealed to them that it can change their lives Further revelations follow with each mention of the well from Abraham Isaac and Jacob through to David and the prophets This continues to the New Testament and the Book of Revelation to show how God will provide for us if we can but follow His instructions regarding the Wellspring of Life The truths discovered are applied as lessons for the church today Pastors and ministry professionals will find this book illuminating as it covers new ground yet it is aimed at the church going public It can also serve as a handbook in colleges as it has many references and quotes yet it is not written in high academic language

But too often today we settle for a routine ordinary tame faith not realizing that the bold miraculous explosive unstoppable faith the early Christians experienced is still available to us. This seven week verse by verse study through the book of Acts invites you to embrace the unpredictable sometimes challenging adventure of Spirit led living that characterized the early church. Through daily Scripture reading reflection questions and group discussion participants will experience firsthand how a life submitted to the Holy Spirit though at times inconvenient and uncomfortable is infinitely more fulfilling than one lived according to safety comfort and control.
