## **Commentary On Leviticus Commentary On Leviticus:**

*Leviticus* Mark Rooker, Dennis R. Cole, 2000-05-01 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text     *The Book of Leviticus* Gordon J. Wenham, 1979-10-05 Wenham's study on the Book of Leviticus is a contribution to The New International Commentary on the Old Testament Like its companion series on the New Testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation     **Leviticus, Numbers (Understanding the Bible Commentary Series)** W. H. Bellinger, Jr., 2012-07-01 The Understanding the Bible Commentary Series helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the easily understandable truth found in this commentary series     *Leviticus* Andrew A. Bonar, 1978 Leviticus is one of the least read and understood parts of Scripture Yet the author of this commentary points out no book in the Bible contains more of the very words of God than Leviticus Bonar wrote his notes on Leviticus for his personal use but was persuaded to publish them by friends His commentary though based on sound exegesis is marked by simplicity The author is always careful to make spiritual application for as he says The Gospel of the grace of God with all that follows in its train may be found in Leviticus This is the glorious attraction of the book to every reader who feels himself a sinner     **Leviticus, an Introduction and Commentary** Roland Kenneth Harrison, 1980 What does it mean for believers to be a royal priesthood A holy nation For Christ to be our great high priest Our passover lamb R K Harrison analyzes the book of Leviticus in its historical and theological setting providing the needed context for a New Testament understanding of these themes     *Commentary on Leviticus* Andrew A. Bonar, 2000-12 This is not a verse by verse commentary Actually the plan of the book is to take the Levitical sacrifices types etc and relate them to the true Sacrifice Jesus Christ You will delight in his explanations of the sacrifices and the priesthood You will learn a great deal more about the atonement and about the intercession of Christ our Mediator Very precious Mr Andrew Bonar has a keen eye for a typical analogy but he always keeps his rein on his imagination and is therefore safe to follow He is a master in Israel TM C H Spurgeon     **Eerdmans Commentary on the Bible: Leviticus** Walter J. Houston, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Houston's introduction to and concise commentary on Leviticus The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each

passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions
