Commitment To Conquer Redeeming Your City By Strategic Intercession:

Commitment to Conquer Bob Beckett, Rebecca Wagner Sytsema, 1997-07-01 Targeted plans and specific strategies including spiritual mapping for local churches to powerfully reclaim and renew their communities through prayer Beyond Illusion Carl Townsend, 2009-12 There is no doubt that we see a failure of leadership today Political leaders are unable to forge a path out of two wars we were led into by lies and greed Today we see the economic system that has fueled capitalism for years is collapsing from greed and mismanagement Much of the existing leadership has been unwilling to change passing the costs of their selfishness and mismanagement to the next generations and the generations after them Paradigms of the past remain only as illusions and no longer work What does real leadership today look like Beyond Illusion Leading from Reality takes a hard look at what is missing in today's leadership using as effective models outstanding leaders in the Bible such as Nehemiah Moses and Jesus If you want to be a leader today you will find essential clues in this book as well as stories that show you how you can lead in transforming your community nation and in the world Carl is a man who hears what the Spirit is saying and places the poetry of that message for the reader to hear for himself Bettie P Mitchell Founder and former International Executive Director Good Samaritan Ministries *Books in Print Supplement*, 2002 **The Art of Strategic Intercession** Duan Hill, 2019-06-18 Most people believe that Prayer and Intercession are the same thing when nothing could be further from the truth Prayer is simply how believers in God communicate with Him Prayer is meant to be a two way conversation between God and His children not a monologue where one lays out a laundry list of requests but a personal conversation where BOTH parties speak and listen Intercession on the other hand is a form of Spiritual Warfare True Intercession is triggered by a burden one receives from God to declare the Word of God for a particular person place or thing It is how believers in Christ use their spiritual authority in Him to regulate and influence the spiritual climate making the atmosphere conducive for the Word of God to manifest whether it be in an individual's life a city region or even a Nation The Art of Strategic Intercession will equip the reader with the necessary knowledge skills and spiritual tools needed to operate effectively and efficiently as they respond to the burden placed upon them to declare the Word of God for His people

Waging War with Knowledge Onyechi Daniel, 2013-02-14 As the war against Satan and his agents rages on he has developed new methods of resistance The devil and his evil forces now blend into the natural features of the environment the art culture and into different aspects of society's life making it more difficult for the church to spot him and root him out Knowledge now becomes a decisive factor in spiritual warfare The Bible shows clearly that the people of God are either in captivity or destroyed for lack of knowledge please see Isaiah 5:13 and Hosea 4:6 This book teaches the modern and advanced spiritual warfare strategies of Spiritual Geography Spiritual Mapping Prophetic Prayers Prophetic Action etc However the author recognizes that it is the believer that is largely delivered that can deliver people and places while applying these principles This book therefore offers deliverance to the would be deliverer showing how to identify and deal with family and environmental curses etc This book has been selected as a Bible School textbook and is blessing people in different nations in five continents of the world You must read it and begin to wage war with knowledge
