Each grade in *The Wheatley Portfolio* features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's *Wheatley Portfolio* guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA. *Writer's Workshop for the Common Core* Warren Combs, 2014-01-09 Writing instruction expert Warren Combs presents a step-by-step plan for teaching writing workshops that are aligned to the Common Core State Standards. The book is filled with practical mini-lessons, strategies, and tools for every stage of the writing process, from prewriting through publication. Scripting is provided to show teachers how to model each strategy for students. In addition, Dr. Combs shows how teachers can use the following elements: The concepts Voice, Pictures, and Flow to help students understand the essential elements of writing. The words Invite, Model, Write, Look, and Learn to model effective writing for students and have them learn from your example. Revision strategies such as Jot and Blend, Combining Sentences, Writing Leads, and Writing Closes. Peer revision using Peer-Assisted Learning Systems (PALS). Student self-assessment rubrics. The book also includes scoring guides and pacing guides to help teachers implement writing workshops more easily. As Dr. Combs demonstrates, you can give workshops more structure while still making writing come alive for your students.
