LATINO POLICE OFFICERS IN THE UNITED STATES Martin Guevara Urbina,Sofia Espinoza Alvarez,2015-03-01

Considering the long lasting and complicated history of U S race and ethnic relations the multiple array of issues currently confronting both ethnic and racial communities and the shifting trends in the ethnic racial landscape this book seeks to provide a comprehensive account of the simultaneous interaction of pressing historical and contemporary forces shaping the Latino experience as well as police minority relations to better understand the current state of policing and gain further insight into the future role of Latino police in American law enforcement across the country Delineating the confines of policing a highly diverse and multicultural society in the twenty first century this book conjoins historical theoretical and empirical research placing Latino policing within a broader law enforcement and community context Major topics include the need for Latino police officers employment of Latino officers by federal state and local law enforcement agencies Chicano police officers working in the Latino community Latino officers policy practice and ethnic realities Mexican American law enforcement bridging the gaps future research and change in American institutions policy recommendations toward a new police force and the future of Latino officers in the American police Additional issues highlighted include racial ethnic

profiling police brutality underpolicing and overpolicing which challenge the quest for representation equality justice and due process Finally the contributing authors demonstrate that the lack of knowledge on Latino police and the overall American police is not inevitable and thus the book concludes with policy and research recommendations to help bridge this long neglected void ultimately the creation of a new police force for the twenty first century The text represents a most timely and essential tool for all levels of policing law enforcement administrators criminal justice educators civic managers criminologists sociologists and others vested in police reform Trauma and Resilience in Contemporary Australian Policing Andrew Paterson,2021-08-18 This book examines how fifty police officers in South Australia keep well and bounce back from duty related traumatic experience in the absence of practical accessible and timely organisational support It investigates mechanisms police officers presently use to normalise their duty related traumatic experiences to preserve the delicate professional balance between coping and psychic numbing and avoid the much publicised perils of a PTSD diagnosis while being appropriately responsive to colleagues victims and survivors in their daily work environment By revealing how police officers manage trauma outside of the expectations of mental health professionals union representatives and police leadership innovative approaches and recommendations are offered to support first responders in moving from assumptions of post traumatic stress and through post traumatic growth The book considers recent advances in post traumatic growth and resilience theory and reinterprets exposure in a positive context as well as preventative experiences in Australia and internationally **NCJRS Catalog** , *Introduction to Business and Industrial Security and Loss Control* Raymond P. Siljander,2008 This book presents a treatise on the topic of business and industrial security and loss control as it applies to the protection of assets and personnel The material in this thoroughly revised and updated second edition will enable law enforcement officers security loss control personnel and business managers to view security loss control needs from a broad perspective and thus devise security measures that will reflect a well thought out systems approach The book contains a wide range of information and is presented in terms that will be meaningful to readers that do not have formal training or experience in the field of security and loss control The information is of a practical nature which if applied in a variation that is consistent with specific needs will tailor a program that will result in a well understood balanced systems approach Through further understanding the effectiveness of police and security personnel is enhanced as they perform crime prevention duties and assist local businesses in upgrading security measures Replete with numerous illustrations and tables the author provides a security loss control survey for businesses plus an overview of security for both businesses and industries Specialized chapters on executive protection fire dynamics and hazardous materials security cameras loss control surveys loss control manager participation and managerial leadership are included This book will help the officer fine tune investigative techniques when a crime such as a burglary has been committed at a business
