Common Ground What All Christians Believe And Why It Matters:

Common Ground Keith Drury, 2008 What Do Christians Believe FOR CENTURIES the answer to that question has been found in the creeds those carefully crafted sparingly articulate statements form the minimum definition of the Christian faith In a day when the Church faces the rising tide of world religions and question of relevance and ultimate meaning many Christ followers have retreated into personal spirituality unsure of what Christians believe or why In this elegantly simple book Drury draws us back to the ancient statement that has been the bedrock of Christian identity for nearly 2 000 years the Apostles Creed Each chapter explores the meaning behind a creedal statement showing its biblical foundation historical framework and relevance of life in postmodern times The concise work will leave you more certain of the essential truths of the Christian faith and more in love with the awesome God who stands behind it from back cover **You Have Victory in the Word** Rufus McDowell, D. Min., 2022-02-22 But thanks be to God who gives us the victory through our Lord Jesus Christ 1 Corinthians 15 57 The call and urgency for people to accept Jesus Christ as Lord is paramount for a victorious and abundant lifestyle This book is designed to provide you with information that will be helpful and insightful in your intimacy and walk with Christ From my own encounters through adversities I have realized that it is utmost meaningful and significant to study the Bible and apply its truths in every situation and circumstance regarding mundane events of daily life During my Christian journey I grasped how much believers need an example and ministerial help when undergoing trials and difficulty Resultant from years of conducting pastoral ministry and counseling others I determined that many do not know the Word of God nor the promises that are available to them Thus I began to preach and teach You Have Victory in the Word The Spirit gave me revelation that all of life s issues are addressed in the Bible Simply put I discovered that the Holy Spirit is not constricted to the pages of scriptures but He wants to provide every believer with principles that will aid them to be successful in spite of the storms of life This book will help you navigate the torrential and hammering degrees of life s challenging moments Finally the Bible describes in clear and unmistakable language how we should react to the Word of God in all its different forms We must eagerly hear God s Word and let it be our joy and delight We must accept what the Word of God says hide it deep within our hearts trust in it and put our hope in its promises Ethics for a Brave New World, Second Edition (Updated and Expanded) John S. Feinberg, Paul D. Feinberg, 2010-11-04 Aldous Huxley s 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it

current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas Teaching the Faith, Forming the Faithful Gary A. Parrett, S. Steve Kang, 2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries **Your Last Chance to Get It Right! (A Journey from Darkness into Light)** Alan W. Hayden, 2016-04-18 Since antiquity mankind has been searching for God in all the wrong places which has resulted in a world that is tormented driven by evil and out of control In traveling the globe the author has witnessed firsthand the misery squalor and hopelessness of people who are struggling to find true meaning in their lives Billions of people are living in darkness and ignorance because they have never known the peace and tranquility of a personal loving relationship with the Lord Jesus Christ The author understands that trying to explain love to someone who has never been in love is not easy But with a fervent desire the author attempts to show nonbelievers the way with the confidence that the Holy Spirit will do the rest **The Christian Delusion** John W. Loftus, 2010-04-20 In this anthology of recent criticisms aimed at the reasonableness of Christian belief a former evangelical minister and apologist author of the critically acclaimed *Why I Became an Atheist* has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in his first book Central is a defense of his outsider test of faith arguing that believers should test their faith with the same skeptical standards they use to evaluate the other faiths they reject as if they were outsiders Experts in medicine psychology and anthropology join Loftus to show why when this test is applied to Christianity it becomes very difficult to rationally defend Collectively these articles reveal that popular Christian beliefs tend to rely on ignorance of the facts Drawing together experts in diverse fields including Hector Avalos Richard Carrier David Eller and Robert Price this book deals a powerful blow against Christian faith **Seeking the Common Ground** Philip L. Wickeri, 2011-08-05 This is the most comprehensive treatment ever written of the history of the Protestant Church in China over the last forty years Philip Wickeri takes an unprecedented look at one of the most turbulent periods in Chinese history the years from 1949 to the present Wickeri explicates what Chinese Protestants have been saying about themselves in historical and theological perspective His interpretation is based on one particular dynamic how Chinese Protestants have sought to situate themselves in a socialist society within the unifying framework of the united front After an overview of church Marxism and Christianity in China Wickeri discusses the united front He focuses on ideology organization and religious policy Wickeri then explores the Three Self Movement as both a Chinese and a Christian movement His conclusion the Three Self Movement despite problems has made Christianity more accessible to the average Chinese and the church more acceptable to Chinese society
