

COMMONWEALTH CARIBBEAN LAND LAW

This textbook primarily addresses land law of the Commonwealth Caribbean. It encompasses the law covered in an undergraduate course on the law of real property in the Caribbean.

Primary and secondary source material on land law in every part of the Commonwealth Caribbean is here made easily and readily accessible to law students and legal practitioners. Statutory provisions from all the States are discussed in relation to each topic and the similarities and differences highlighted. Extensive discussion and analysis of the decisions of the courts in the region is also included alongside an in-depth analysis and critical discussion of English case law relevant to the Caribbean.

The views of English textwriters on many topical land law issues have been considered. The resulting critique of the English texts provides an opportunity for not only Caribbean, but also other Commonwealth common law jurisdictions to view these land law issues from the perspective of their respective countries. The study of the extent to which English case law should be followed in the region will prove relevant and interesting to anyone studying or practising law in other Commonwealth jurisdictions.

Essential reading for undergraduate law students in the Caribbean, this text will also prove useful to those studying for the Certificate of Proficiency in the Practice of Law in the Commonwealth Caribbean, while the provision of exhaustive references to statutory provisions are an invaluable aid to any researcher in Caribbean land law.

Sampson Owusu is a Lecturer in Law at the University of the West Indies.

Sir David Simmons is Chief Justice of the Supreme Court of Barbados.
