## Number and Operations: 55% = 33 questions

*Number and Operations: Students will use decimal fractions and common fractions to represent parts of a whole. They will also understand the four arithmetic operations for whole numbers and use them in basic calculations, and apply them in problem solving situations.*

**M3N1** Students will further develop their understanding of whole numbers and decimals and ways of representing them.

- Identify place values from tenths through ten thousands.
- Understand the relative sizes of digits in place value notation (10 times, 100 times, 1/10 of a single digit whole number) and always to represent them including word name, standard form and expanded form.

**Place Value through the ten thousands.**

### Thousands
