Arnold, 2002 This is a hardcover set that helps readers understand the historical and cultural background of the books of the New Testament Brimming with lavish full color photos and graphics each book will walk you verse by verse through the books of the New Testament

Sermon On The Mount Charles L. Quarles, 2011-10-14 A new commentary on Matthew 5 7 that seeks to determine whether or not a follower of Jesus can really live by His words from the Sermon on the Mount today **A Commentary on the Holy Scriptures: Numbers** Johann Peter Lange, 1900 Bible Teacher's Commentary Larry Richards, Lawrence O.

Richards, 2002 In this outstanding Christian Education resource the entire Bible Genesis 1 to Revelation 22 is divided into teachable units There are many link to life ideas to help teach each unity to any age group A commentary on the Holy Scriptures , 1871 *Rapture or Tribulation* Richard W. Tow, 2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church Israel and the world as it is and will be I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation Therefore I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book A generation of believers young and old are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness I highly recommend that Richard s book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord s return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houlberg Professor Author and Regional Pastor for the Foursquare Church *The Suffering Son of David in Matthew's Passion Narrative* Nathan C.

Johnson, 2023-11-23 Drawing on David texts Matthew makes the narrative case for an unexpected messiah one who does not kill but is instead killed by the Romans A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19

The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature. The first horizon focuses on Jesus's history ministry. Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven. The second horizon develops Matthew's theological perspective for his audience's. Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

The Decalogue in the Sermon on the Mount Dan Liroy, 2004. In this work Dan Liroy first investigates the biblical concept of the law. He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount. He gives particular attention to the connection between these two great bodies of biblical literature. The result is a comprehensive study that argues for the enduring relevance of the moral law. This volume is appropriate for personal study and is also suitable as a college and seminary text.
