Comes A Painted Horse An American Story Of Faith:

Comes a Painted Horse G.M. Eichin, 2014-09-02 Comes a Painted Horse tells the tale of Christian faith in 19th century America. It opens with the story of John Long Waters, son of a Cherokee chief who is forced along the Trail of Tears with his people. After nearly losing his own life, John discovers his Christian faith through his rescuer John's faith and devotion to God are passed down to his son Micah Red Horse, who faces trials of his own. A grown man Micah and his family find food, shelter, and friendship with the Heideggers, a family of German immigrants. Though from different backgrounds, a bond of Christian faith forms between the families. However, when tragedy strikes the Heidegger family, Micah finds himself torn between his desire to seek vengeance and a faith that prohibits revenge. In G.M. Eichin's debut novel, Christians will be reminded to keep their faith even when things seem most unclear because God always has a plan. **Indescribable Faith** Jenna Wright, 2018-05-24 Indescribable Faith By Jenna Wright. Emberline Winston has been on her own for a while. An orphan born of the Christian faith, she lives in a world where the government has outlawed her religion. All followers of Christ are persecuted, forced to renounce their religion or be put to death by the Eternal Flame Agency (EFA). So she runs and hides a heavy burden to bear but worth it. Nothing will shatter her faith. Emberline's life changes drastically when fellow Christian Thomas Yale offers her a chance to join the I AM Faithful (IAF), a resistance dedicated to spreading the word of Christ and providing sanctuary to all His followers. She cautiously agrees to join him, his family, and the cause, thankful for the opportunity to fulfill God's will. But the threat of the EFA is constant. Will they ever be safe? **Faith Ringgold** Lisa E. Farrington, Faith Ringgold, 2004 The story of Faith Ringgold, activist, author, academician, is an uplifting look at a progressive artist who overcame discrimination and triumphed as a giant figure in American art, notable as an accomplished painter, a sculptor, a printmaker, and an art quilter. She has never abandoned her goal of searching for human dignity and empowerment for fellow African Americans while tirelessly fighting against discrimination. Faith Ringgold is a captivating look at the personal and professional life of one of the country's most notable female artists. Selected works from several of her famous series are presented, including The Flag Is Bleeding, Help the Slave Rape Series, 11 The Purple Dolt Series, Mother's Quilt, and We Came to America. Lisa E. Farrington is a faculty member at Parsons School of Design in New York City, where she teaches art and race and gender issues. A former Mellon Foundation fellow and recipient of numerous academic awards and honors, she is the author of *Creating Their Own Image: African American Women Artists* (Oxford University Press, 2004) and *Art on Fire: The Politics of Race and Sex in the Paintings of Faith Ringgold* (Millennium, 1999). *The Faith of George W. Bush* Stephen Mansfield, 2003-11-10 In the first book to explore the religious ideals and background of the 43rd president of the United States, *The Faith of George W. Bush* discusses how Bush's spiritual beliefs shape his private life as well as drive his policies and politics. More than any other presidency in recent years, George W. Bush's presidency is faith-based. He has often said that faith saved his life, nurtured his family, established his political career, and helped form the destiny of the nation. Discover how

Bush incorporates his faith and belief in God into every detail of life From his devotional time alone each morning to his frequent use of Scripture in his speeches the president relies upon his faith to direct his actions and goals The Faith of George W Bush recounts Bush s conversion to Christianity in 1986 when he overcame a growing dependence on alcohol by turning to the Bible to save his marriage and family From the tragedy of September 11 to the conflict in Iraq President Bush has learned to use his faith to help him live his public and private life This revealing book will inspire others to do the same
