Comes The Pale Horse:

Comes the Pale Horse Summer Lee, 2014-10-31 It's the end times just before the Apocalypse and God chooses an unlikely heroine to get his Word out before it's too late. While Martha's husband and son are away on a cruise, an angel named Walker rides out of the clouds on a red horse. He tells her that she has been chosen by God to be a final messenger about the coming Great Tribulation. She will be given visions and prophecies and she is to write and share the truth with many others. Previously a Sunday School teacher and God-loving layperson, gentle Martha is frightened of such an important godly task, but the angel assures her that he will guide her; he even provides her with a helper named Amanda who also loves Jesus. Amanda has a task too: to try to get people to repent. Amanda the prophetess seems out of place even out of time, and she has a secret life of her own. Despite Martha's doubts about what her new friend really is, together they analyze Revelation, Isaiah, and more books of the Bible. Martha's studies are intensely focused on the Four Horsemen of the Apocalypse and the mysteries of Christ and the Second Coming. They also discuss related world events that are tumbling them faster toward the coming tribulation. Or is the Great Tribulation already here? With the help and guidance of Walker, the angel, the women write their inspired messages and strive to tell others that the end of the world as humans once knew it is coming. The Four Horses of the Apocalypse are coming, and they are galloping, galloping, galloping. Acclaimed Christian fiction author Summer Lee wears many hats. She is also layperson, Bible scholar, Verna Hargrove, whose nonfiction book *HEAVEN'S HORSES* about the long-awaited Four Horses of the Apocalypse inspired her to write this companion novel, which is based on the same research.

Behold! a Pale Horse Milton Cooper, 2018-05-02 William Cooper turned out to be right, and that's all we have to say about his self-published book. Let's keep copies of this treatise for our grandchildren and their children, so the spectre of corruption and perfidy that we, the late 20th-century generation, experienced will never occur again in seven generations.

Topics in the Book of Revelation William R. Horsley, 2017-03-06 Topics in the Book of Revelation by William R Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John's final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In Topics in the Book of Revelation William R Horsley presents definitive arguments for a reinterpretation of John's writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb
